### **New venture in the old village shop**

Andrew and David met over a decade ago while using the early morning bus service from Cambourne to St Neots. Being a rather unreliable service, it facilitated many conversations, some about a vague dream of having a business in coffee...

Following some more focused conversations and planning, just over a year ago Andrew and David started roasting coffee as Sidewalk Coffee Company. They wanted to understand coffee better and have control over how their beans were sourced and roasted, so roasting profiles were drawn up and local people were encouraged to sample different roasts.

Now, Sidewalk Coffee can create custom blends in large quantities, tailored to their tastes, and clients have direct contact with Andrew and David throughout the process.

Sidewalk has just moved from its garage to new premises in Highfields Caldecote, a shop and a roastery, where they finally have somewhere to meet their clients and serve their local customers – it's a great space, brightly coloured with a friendly atmosphere. Ryan joined team as the lead barista and also looks after the shop on a most days.

Over time, the shop will feature gifts, essentials and fresh produce in addition to the coffee and loose leaf tea offering. They will also be making the shop available for community events and supporting good causes by working with local people.

The Sidewalk would appreciate any feedback from anyone who has any ideas for improvement – they really want to make a success of the shop and be a trusted part of the village's culture for years to come. Andrew and David are both present in the shop on the weekends – just pop in and chat!

## Would you like to save a life and be at the heart of your community? Become a community first responder

### What is a community first responder

Community first responders (CFR) are volunteers with life-saving skills who attend medical emergencies where they live or work on behalf of the ambulance service. Because they volunteer in their community, they often can reach a patient before the arrival of an ambulance or response car.

### Why do we need your help?

Every second counts when someone is in cardiac arrest. It is not always possible to get an ambulance to a patient in under eight minutes in remote parts of the East of England. However, immediate cardiopulmonary resuscitation (CPR) and early use of a defibrillator greatly increase the chances of survival. The East of England Ambulance Service NHS Trust (EEAST) provides CFRs training to be able to save lives when someone's heart has stopped.

### Who can become a CFR?

Anyone can become a CFR but you must:

- be physically fit;
- be aged between 18-70;
- agree to a disclosure and barring service check (DBS);
- have a sympathetic, caring nature;
- agree to undertake training, which is provided by the service.

If you are interested in becoming a CFR please contact Max Cartwright email: [maxcartwright@gmail.com](mailto:maxcartwright@gmail.com)

## **Caldecote Playgroup**

### **Spring Term**

The children have enjoyed the big outdoor area (field, bridges, maze, tyre-park, etc.) especially with it being wet and muddy. On a daily basis, children would put on their already muddy wellies and find some of the biggest and muddiest puddles to jump in.

We created a sensory den with a bubble tube, complete with fish that bob up and down in a bubble stream while the water changes colour. The children spent long periods in the den talking to their friends.

### **Playgroup Sessions**

We are pleased to be offering warm school lunches from the school kitchen to children attending afternoon sessions at £2.20 a meal. School lunch produce are freshly sourced from the local area. More information can be found on their website: [www.lunchtime.co.uk](http://www.lunchtime.co.uk)

### **Sessions for school-risers:**

Monday:

Morning session (9:00am – 12:00pm)

Afternoon session (12:00pm – 3:00pm)

### **Mixed sessions (school-risers and non-risers):**

Tuesday:

Morning session (9:00am – 12:00pm)

Lunch hour (12:00pm - 1:00pm)

Wednesday, Thursday, Friday:

Morning session (9:00am – 12:00pm)

## Have a Seat!

**As the candles were lit and the trumpet sounded the first familiar notes of “Once in Royal David’s City”, around 135 people stood to sing the opening hymn at our Carol Service led by the Bishop of Ely. Around 94 of them had been sitting in the pews; a dozen stood up from modern padded seats. The majority of the remainder had been sitting on old – and rather rickety – wooden slatted chairs.**

To keep the church running and offer services at Christmas and throughout the year, we rely entirely on the collection that our members give each Sunday, together with regular giving through Standing Orders. These gifts enable us to pay the electricity bills and insurance premiums, buy the regular items like candles and communion wine, and pay what’s called the ‘Ministry Share’ – our parish’s contribution to a pot from which vicars are paid. But when it comes to special purchases, one-off donations give us the chance to think creatively about investing for the future.

We recently received a generous donation that enabled us to buy the chalkboard you may have seen on the grass bank outside the church, and to invest in a ciborium (to hold communion wafers) and a matching and equally beautiful chalice and cruet set. Do have a look at the photos on our Facebook page – they are wonderful items viewed up close ([www.facebook.com/caldecotechurch](http://www.facebook.com/caldecotechurch)).

With the launch of our new website we’ve also created an online donation facility that makes it so much easier to support Caldecote Church. “Have a Seat!” is a tailored fundraising page with a target amount of £224.16, which will enable us to buy 24 more padded folding chairs and to retire the old wooden ones for good! We have a number of special occasions being planned where extra seating will be needed, including a wedding and a concert, and our aim is to raise the funds to buy them in time for Easter. Please do think about giving if you are able – if you are eligible to Gift Aid your donation, just £7.47 will cover the cost of one chair. To support the **Have A Seat!** appeal, go to:

[www.mydonate.bt.com/events/have-a-seat](http://www.mydonate.bt.com/events/have-a-seat)

Every gift is appreciated and we make a real effort to spend all the donations we receive wisely, to benefit the whole parish through the church's ministry. For more information about giving to Caldecote Church more generally, visit [www.caldecotechurch.org.uk](http://www.caldecotechurch.org.uk) and choose ‘Give’ from the menu. With thanks and best wishes,

We were all excited to be back at school and there has been a very positive buzz for the first couple of weeks. Children are always excited to return and share Christmas adventures with their friends. Blue class have been learning all about Pirates and have been scouring the school for Pirate treasure and carrying out dastardly deeds like Walking the Plank!

We were all so excited when some very long awaited snow finally fell and we made the most of it! Everyone was out having lots of fun building 'mini-snowmen' with the small covering we got. Sadly, it didn't last long and in the afternoon it was as if it had never been!

We have a very busy term with events such as Family Bingo, trips to the Museum of London, Colchester Zoo and the Year 6 residential at the Frontier Centre. There are also the very popular Mother's Day lunch, World Book Week and Red Nose Day as well as the Year 3 & 4 production. Any members of Caldecote community are very welcome to the dress rehearsal of the production on Monday 27<sup>th</sup> March @ 1.45 pm. The children love to perform to an audience and you would be very welcome.

I hesitate to write this (just in case it doesn't happen!) but we have a date of 6<sup>th</sup> February to start replacing the school fencing. This has been in the 'planning' stage for so long but finally the project has been commissioned and the dilapidated white picket fencing will be replaced. There will also be drainage work to try and address the 'ponding' that causes so much inconvenience at both entrances to the school. Access during the project will be restricted and via the Village Hall gate, but when it is complete we will have smart exterior fencing that complies with safeguarding requirements.

*PS: I've just reread our last Journal entry – I am still chasing Highways regarding the parking restrictions! Their understanding of 'imminent' is obviously very different to mine.*

# Gateways

**Gateways** is a community built around a monthly gathering of friends and soon-to-be friends, primarily those (of all ages) living in Caldecote. We want to help each other explore what it is to live well, recognising that nurturing our spiritual side and thinking about our values is important. As we do this, we hope to grow as a community of fellow travellers who can also support the wider village community here in Caldecote.

Find out more on our facebook page ([bit.ly/GatewaysCaldecote](https://bit.ly/GatewaysCaldecote)) or blog ([gatewayscaldecote.wordpress.com](https://gatewayscaldecote.wordpress.com)) or contact [alisonmyers@lordsbridge.org](mailto:alisonmyers@lordsbridge.org)

## **Pennies for St Michaels – more pennies needed for 2017!**

Many thanks to all of you who brought pennies in for this Christmas! Please don't forget us this year too! We are still collecting! All collections of any size are welcome. It takes 100 pennies to make £1 and 10,000 to make £100.

Our last count in October brought in £125.16. That is 12,516 pennies!! And it was virtually all in pennies! So it took a good while for us all to count and brought our pre-Christmas total to £2,326.99 which is amazing. The weight was incredible! We are very very grateful to all those who have contributed to this. And not only are we grateful to the contributors but also to our team of helpers who do the counting and then transport it bagged to the treasurer! Every single penny goes to Church Restoration!

The fantastic thing was that after this count, the next day two more good sized bags were delivered to me with quite a lot of 5ps in it - and some more collections have come in over Christmas – **so please do keep collecting.** We will be doing our next count in the spring.

This means we just have to collect another £183.01 to reach our unbelievable target of £2500 and the two new bags and the others will go towards this. But obviously we need more. It will take 18,301 more pennies ( or bigger coins!) to get there – but considering to raise £2316.99 has required collecting in 231,699 pennies so far it is absolutely possible with help from everyone who is, or might be willing to start collecting.

**So please if you are collecting pennies or other small coins - do carry on. They can be in any type of container or polythene bag - whatever! If you can be persuaded to start collecting please do. Every single penny goes to the Village Church Restoration Fund so the pennies are very gratefully received.**

When you have any pennies or bigger coins to hand in please contact Sheila Stephenson Tel. 01954 210638 email: [sheila1pc@yahoo.co.uk](mailto:sheila1pc@yahoo.co.uk). Or simply call round to my door at 1. Porthmore Close Highfields Caldecote CB23 7ZR. If we are not in at the time please leave them by the milk crate to the left of the front door. I always check that. If you can't deliver them yourself I can arrange for them to be collected!

I look forward to hearing/receiving collections of any size this coming year. It will be **fantastic** if we can break/ even exceed the £2500 target!!!! Pennies of any quantity, however small, will be very gratefully received ready for the next count.. Thank you to everyone who is helping.

## Dear Residents

For any people new to our village I thought you might like to know about our Pill Run as I call it. In conjunction with Bourn Surgery and our Village Hairdresser we organise a weekly Pill Run for people who find it difficult getting to the Surgery for medicines. Particularly regular prescriptions This was done recently by the late Mrs Watson but when she became poorly I took over.

It works like this: You take your prescription marking it Caldecote Box to the Hairdressers and put it in the red box. On Thursdays I collect the prescriptions and take them to the Surgery. They take them in and hand me the prescriptions I took in the week before I then bring them back to our lovely ladies in the shop and they keep them safe for you to collect a.s.a.p.

For Christmas and other public holidays timings may be different but I'll put a note up in the shop.

The Hairdressers does not have a fridge so I cannot bring back anything that needs to be kept cold.

Hopefully this service may be of some help to some people.

Jenny Phillips

**Sheila Stephenson reports on an alternative service which is ideal for those whose doctor's surgery is elsewhere:**

If you have difficulty getting to your Doctors Surgery to order or pick up your prescription medicines, Ascrip Pharmacy can help.

**Ascrip Pharmacy offers a [FREE Prescription Collection & Delivery Service](#)**

**Ascrip Pharmacy provides *NHS* prescription services and can:**

- **help you order your prescriptions from your Doctor**
- **collect the prescription when its ready**
- **deliver your medicines to you at home when convenient**

We can even deliver urgent medicines prescribed by your Doctor. You just need to call us and let us know your Doctor has prescribed a medicine and we'll do the rest.

[This is a FREE LOCAL SERVICE provided for your convenience.](#) If you would like to know more, please call Adele or Nick, our Pharmacists, to see how our service can help you.

# Caldecote, Dry Drayton and Hardwick Community Car Scheme

"If you need a lift for medical, dental or essential social purposes such as shopping, hairdressing, visiting relatives etc do please ring one of the co-ordinators listed below. Please try to give 48 hours notice if possible and only leave an answerphone message on one phone line as otherwise it confuses co-ordinators and might mean two lifts or more get booked.

The co-ordinators are:

Marian Gibbens	Tel: 01954 211709
Hazel Swindells	Tel. 01954 212998
Lizzie Coe	Tel. 01954 211838
Gillian Stott	Tel. 01954 210942

**For emergencies please try all numbers. ( If no success with any of these - for emergencies ONLY - try Sheila Stephenson on 01954 210638. Please do not leave answerphone messages for emergencies except with Sheila.)**

The above co-ordinators will link you with a driver who will come and pick you up at an agreed time, take you to your destination and deliver you home. All the drivers are volunteers and are only reimbursed for their petrol. Thus for each run to Comberton or Bourn the passenger pays the driver £3.50. For all other runs the passenger pays the driver 30p per mile of the journey. The mileage is calculated from the driver's front door to the destination and back again. Currently when the mileage is submitted to the County Council by our treasurer (roughly every six months) Cambridgeshire County Council reimburse the drivers an additional 15p per mile for the mileage they have driven. This is one of the reasons we need plenty of drivers so that the passenger can ideally be near to where the driver lives, thus cutting costs. All drivers are DBS (originally CRB) checked at no cost to themselves.

## **New drivers urgently needed.**

**Recently three of our drivers have had to stop driving for us due to health and personal reasons. Thus we do need to appeal now for more drivers to take their place. In the past we have had a good response especially from Hardwick drivers but we now need more as it is Hardwick we have lost them from.**

**What we also need now as well, is a similar helpful response for drivers from Caldecote and Dry Drayton to keep driver's and passenger costs as low as possible.**

**The scheme can't exist without drivers! Also everyone helping with the scheme is a volunteer, usually with their own busy lives or work, and the more volunteers we have the easier it is to match up times of lifts and nearness of pick- up places.**

**So if you are a driver in any of the three villages we serve, and have a little bit of spare time, please do come forward. Passengers are always so grateful and your help makes things so much better for everyone.**

**If you can help in any way please contact Sheila Stephenson on 01954 210638 or email to [sheila1pc@yahoo.co.uk](mailto:sheila1pc@yahoo.co.uk). I look forwards very much to hearing from you.**

## ***Childerley Gate: The School on Bourn Airfield***

When we, that is, Caldecote Local History Group, were putting together *The Book of Caldecote*, many of the residents to whom we spoke mentioned that they had attended Childerley Gate School, which existed between 1910 and 1940. Sadly, the school was demolished when, at the outbreak of the Second World War, the land on which it stood became Bourn Airfield, a satellite air-base for RAF Oakington. It is said that an aeroplane coming into land struck the roof of the school and the building was demolished as it had become a hazard to aircraft.

*Childerley Gate School can be seen centre left in this map from 1928. It is situated on the south side of St Neots Road, between Childerley Gate and Two Pots House, north of Grange Farm.*

When we were putting together *The Book of Caldecote* many people described to us their memories of the school, the head-master's house, the ringing of the school bell, and their

recollections of the teachers, and the lessons they attended. But with exception of one photograph taken in about 1930, in which the school buildings can be glimpsed behind a group of pupils, we have no idea what the school buildings looked like.

*Christmas Fancy Dress party, Childerley Gate School in 1929/30. The school buildings can be seen in the background.*

But, hidden away in the Cambridgeshire County Council archives, there are the original architect's drawings for the entire building. We now know what Childerley Gate School looked like when it opened in 1910. And for the first time since its demolition nearly 80 years ago, we can display these images on our Caldecote Local History Group website.

Please go to [caldecotelhg.co.uk/](http://caldecotelhg.co.uk/) to view the drawings in detail, or go to the Caldecote Facebook page. Unfortunately, for contractual reasons we cannot include them here.

The drawings were signed by Mr H. H. Dunn ARIBA, the County Architect of Cambridgeshire County Council at that time. The drawings appear to have been completed in June 1909, and the copies we have were probably used by the building contractors, Clark & Sons of Cambridge.

From the drawings, we can see that the headmaster's house was a two-storey building, attached to the school, which was single storey. The school bell tower was placed on the roof over the main classrooms. The drawings show all four elevations, north, east, south and west, and plan views of the internal layout. The school had two classrooms, one for infants and one for older children, up to the age of 14. There were separate cloakrooms for boys and girls, and a block of outside toilets that must have been very cold in winter. The headmaster's house had a parlour, a living room, a scullery (kitchen) and three bedrooms on the first floor. These drawings, which are now very fragile, were beautifully executed and coloured by hand. There is a tremendous amount of detail to be seen if you look closely. The notes and details have been added in neat handwriting that can be read clearly. They really are a work of art and we are very lucky that they have survived.

(The originals are deposited in Cambridgeshire Archives, Shire Hall, Cambridge under catalogue reference KCC7/ARCH/E3/8).

**Heidi Allen MP**

**Member of Parliament for South Cambridgeshire**

As this is my first newsletter of 2017 may I start by wishing my constituents health and happiness in the New Year. Let's make it the best yet!

In the twilight of 2016 I visited the Blood Donation Centre in Long Road, Cambridge for my first ever blood donation. I have to say, it was utterly painless, parking was free and I had my choice of biscuits afterwards! Giving blood is easy, very quick (I was in and out in less than an hour) and it saves lives. The blood service have come up with a great resolution for the New Year – 'don't give up, just give'. If you can donate, please go to [www.blood.co.uk](http://www.blood.co.uk) or call 0300 123 23 23 to book your appointment.

I was honoured to be invited to the Gamlingay Cubs 100 year promise party. I've never been asked to do a 'wolf howl' at the start and end of a party before but I really enjoyed re-making my own pledge and seeing the excellent work of this Cub pack in action. Thanks to Steve and all the Gamlingay Cubs for having me along.

The Christmas period also gave me time to visit the Cambourne Food Bank, a poignant reminder that Christmas isn't easy for those struggling with basic needs. It is open every Thursday from 10.00-12.00 at the Old Blue School on Eastgate. You can find out how to apply for a voucher here <https://cambridgcity.foodbank.org.uk/get-help/foodbank-vouchers/>. The Food Bank is run by kind, dedicated volunteers who try their very hardest to help with the many issues that bring someone to a Food Bank. I'm hoping to be able to work with them more in the future, unlocking some of the housing and benefit difficulties that are often at the heart of food poverty.

I'm delighted to share the launch of Cambridgeshire County Council's Communities Innovation Fund which gives community groups the opportunity to apply for funding for initiatives which will improve lives. If you know of a scheme that enhances your community

and helps people stay safe and independent, please see [www.cambscf.org.uk/ccif.html](http://www.cambscf.org.uk/ccif.html) for details of how to apply.

December saw the publication of the National Schools Funding Formula from the Department of Education. I'm still analysing the data and will be writing to my schools for feedback on proposals. If you want to contribute, please make your views heard here <https://consult.education.gov.uk/funding-policy-unit/schools-national-funding-formula2/>. The consultation closes on 22<sup>nd</sup> March 2017.

I'm continuing to push for safer and more efficient roads in our region and joined the A1307 Forum last month. Constituents from Babraham or those who work at Granta Park will know the impact this road has on the surrounding region and the A505. These roads are no longer fit for purpose, so alongside an improved road crossing at Foxton, I'll be pushing these initiatives in 2017. With the city deal, devolution deal and the £1.1bn announced in the Autumn Statement for road congestion pinch points, I am confident we can build a strong case to put to Government.

Turning to buses and trains, I'm inviting constituents to contact me about any issues they have with existing public transport services. I have been contacted by a number of residents about unreliable services, so if you too have experience of this, please contact Nicola in my office on the contact details below.

One of the best parts of my job is getting to know you at my surgeries and events. If you have a concern you think I could help with, or some feedback you'd like to share with me, please get in touch.

You can find details of my no appointment needed surgeries here [www.heidisouthcambs.co.uk/residents-drop-surgeries](http://www.heidisouthcambs.co.uk/residents-drop-surgeries) I'll be in Comberton in February. Or you can phone 01954 212707 or email me at [heidi.allen.mp@parliament.uk](mailto:heidi.allen.mp@parliament.uk)

## District Councillor News & Update

Welcome to 2017. I hope that you all enjoyed your Christmas and New Year celebrations, and are ready for the year ahead.

The last three months of 2016 saw a number of activities that are of interest to and affects us.

**The Draft Local Development Plan** continues to rumble and morph as the Council keeps modifying it to “pass” the examination by the Planning Inspector. The latest change is to the Eastern boundary of Bourn Airfield Development (BAD), which has now been moved 50 meters closer to Highfields Caldecote. This breaks all the assurances we had been given before, that there would be a separation of at least 200m between the development and our Parish Boundary. Read details in my blog at <http://bit.ly/BADnewBoundary>. The proposal went to full council and was accepted as I reported in my blog article <http://bit.ly/BADStitchUp>. The Inspector has still not yet set a date for the examination of the Bourn Airfield policy. Watch this space.

**The Cambourne to Cambridge Transport Plan** being proposed to shore up the viability of BAD gets more ridiculous. The Greater Cambridge City Deal (GCCD) Board have decided to focus spending its first tranche of funds on creating a busway from the City, across fields north of Coton to Madingley Mulch, and then across fields South of Hardwick and Caldecote to Bourn Airfield. This is the so-called Option 3/3a and I have written extensively about it at <http://bit.ly/A428Busway>. Some call it the Burkitt Busway or Francis Folley! We hope that Heidi Allen our MP may be able to bring some pressure to bear with the Government to link the proposed Devolution deal with the GCCD for a more focused solution and avoid a potential colossal waste of public funds. In the meantime, I will be attending the A428 Local Liaison Forum meetings to take forward your concerns and views.

**Devolution** - the Full Council voted in November to accept the Governments Devolution deal for Cambridgeshire and Peterborough Combined Authority, to be headed by an elected Mayor. In return, the Government will devolve a certain amount of power to the Mayor. This includes control of a new £20million a year funding allocation over 30 years to boost growth, control of a new £100million ring-fenced fund to deliver an “ambitious” target of new homes over a five-year period for Cambridgeshire and Peterborough as well as £70 million for Cambridge which would be spent on new council rented homes. Considering the costs of construction, it is doubtful those sums will make any significant dent into the current housing needs of this region. Is that enough justification for another layer of local government! The cost of the new administration is to be borne by the new authority! Go figure.

Elections for the new Mayor will be held in May 2017. In the meantime, the first shadow meeting of the new devolved authority took place on 14 December 2016 in Peterborough.

**Local Boundary Review** - Further changes that will also affect you in 2018 is the Ward boundary review that took place. The Local Government Boundary Commission (LGBC) recommends to Government that South Cambs should be represented by 45 district councillors, 12 less than the current 57. Each councillor will represent roughly the same number of voters. Caldecote Ward which currently comprises Caldecote, Childerley, Kingston and Toft will change. In future, the Ward will comprise Caldecote, Childerley, Kingston, Bourn, Longstowe and Little Gransden. Toft has been moved to join with Hardwick. You can see the boundary changes at <https://consultation.lgbce.org.uk/node/6215>.

All the council seats will be up for election in May 2018, and every four years after that.

### **A14 Upgrade Bulletin**

Construction of the A14 upgrade has officially started. Highways England will provide monthly newsletter update on key site activities, summarise the progress of previous month, and explain the plans for the next month. The 24hr public helpline is 0800 270 0114, and you can follow their twitter account @A14C2H and find them on facebook at [www.facebook.com/A14C2H](http://www.facebook.com/A14C2H)

The new construction compound at Swavesey should be ready later this month.

**Open For Business** – Do you have or run a business located in South Cambridgeshire? Then you may be interested in the bi-monthly newsletter from the Council which brings latest news, information, funding sources, ideas and guidance. Latest edition is at <http://bit.ly/OfBNov16>. If you want to find out more, or go on the business register to receive the newsletter, email the council at [openforbusiness@scambs.gov.uk](mailto:openforbusiness@scambs.gov.uk).

### **Cambridgeshire Handyperson Scheme**

South Cambs part funds the Cambridgeshire Handyperson Scheme, which aims to prevent falls and accidents at home by offering a free personal assessment, home safety check and arranging small jobs to be carried out. The service is run by Age UK Cambridgeshire and is for people aged over 65 years, or those with a disability.

More information can be found on the Age UK Cambridgeshire website or on 01480 700205 or 0300 666 9860

**Drainage and Anglian Water (AW)** – this continues to be a challenge. I am still waiting for the Council to find the right people to talk to and organize a meetup so we can address the longstanding issues with our pumping station. Looks like I might have to take matters into my own hands, especially with the speculative planning applications for Gladmans 140 Houses, CALA 67 houses and Welbeck Land 58 houses that are already lodged. I will keep you posted.

In the meantime, please continue to make diary notes of times when tankers come to empty the station, and message me so we have some evidence to put before the Council.

**Speculative Developments** – The planning appeal lodged by Gladman for 140 houses will be heard early March. I plan to attend. CALA Homes application for 67 houses at 18-28 Highfields Road and Welbeck Strategic Land application for up to 58 houses off Grafton Drive are rumbling through planning.

## Caldecote Pet Care Circle

Caldecote Pet Care Circle would like to invite new members.

We are a group of friendly pet owners who look after each other's pets whilst their owners are on holiday. We exchange tokens for number of visits to your house, so no money is involved. Pets who like being at home tell us they like the service we provide!

Suitable pets include cats, guinea pigs, hamsters and chickens. We do not care for dogs.

If you would like more information please contact Sarah on
