District Councillor News & Update

I would like to wish you and your families a very Happy New Year 2018 and hope it will be an excellent year for you

Please note that I provide a full report to the Parish Council at its monthly meeting, so feel free to check out the meeting minutes or my blog for more details on the items discussed below.

If you have recently moved into the village, a very warm welcome to you. I hope you enjoy living here as much as I do.

Bin Collection Change Update

Black paper caddies are no longer valid for use. Please do not put excess rubbish in them as the bin men will not empty them.

According to the Council, if the blue bin is full, excess recyclable material will be collected only if placed in one transparent sack next to the blue bin. Please put any glass in your blue bin, not in the sack for safety reasons. One bundle of cardboard may be left next to your bin if it is of a size which would fit inside the bin if there were space. Please tape or tie into a bundle to assist collection. Please do not use other colour wheeled bins for your excess recycling

Crews are happy to collect recycling side waste providing they can see through the bag to confirm that the contents are recyclable. Most of the major Supermarkets stock recycling sacks that would meet this requirement.

Superfast Broadband

As I have previously reported, if you are one of those who have hit the brick wall with BT (or any other supplier) and cannot order because the "computer says no", or your order abandoned, please contact me immediately by email (tumi@tumihawkins.org.uk) and provide the following information:

Your Name, house number, street name, postcode, tel number, supplier, order number (if any), reason for being refused an order, and any other comment that is relevant. Some folks are now able to order following the first wave of reports and resolutions by BT

Planning – Grafton Drive

The Planning Inspector has allowed the appeal by Welbeck Strategic Land to build 58 additional houses on Grafton Drive. The over arching reason was the lack of 5-year housing land supply, even though he acknowledged the various limitations of the site.

Unfortunately, SCDC was negligent and did not pass on the information promptly after receiving it on 20 December 2017, until the new year when residents found it on the Inspectorate website. I immediately raised it with the CEO and Head of Planning. The CEO apologised for the admin mess up and the Planning Dept formally sent the notification afterwards.

This now brings the total of speculative developments in the village to 198. The CALA Homes site will have 71 houses built, which means Highfields is set to grow by 269 houses or about 40% in the next 5 to 10 years.

There is a lot of work ahead of us as a community to make sure that all the infrastructure "promised" by the developers and the County Council in the S106 agreements are delivered. The Parish Council will be at the fore front of this work and this is the year when the nine parish council seats are up for re-election in May. If you are interested in contributing to the well being of the community, or have skills that could be useful, why not consider applying to become a parish councillor? Contact me or the Parish Clerk to find out more.

Draft Local Plan & Bourn Airfield Development (BAD)- New Consultation

SCDC has launched the next stage of the process for the Local Development Plan. It is a consultation on main modifications, starting on Friday 5th January 2018 and closing at 5pm on Friday 16th February 2018.

Some of those main modifications were those proposed by the Council in 2016, including extensions to the development area of Bourn Airfield, and this is of serious concern due to the effect on Highfields Caldecote, potentially directly linking the two.

Full details of the consultation is on the council website at <https://www.scambs.gov.uk/mainmods>. There are over 300 modifications that are being consulted on

The Bourn Airfield specific modifications are from SC-MM077 on page 243 to SC-MM092 on page 250 of Chapter 6 of the report, https://www.scambs.gov.uk/sites/default/files/c._main_modifications_consultation_report_-_chapter_6_part_1.pdf

Please comment only on the modifications, either in support of or objection to and stating reasons why. The Inspectors have asked the Council not to register any response that does not conform to this requirement. All the other issues have already been considered at the Public enquiry that took place in 2016 and 2017.

When I have had a chance to read and digest the text of the consultation, I will be publishing my thoughts on the modifications on my blog at <http://tumiawkins.org.uk/bourn-airfield-development-consultation-modifications-my-thoughts/>.

Please do take part in this consultation. Every voice counts. It is important that everyone who is concerned about this matter continues to let the Council administration know how you feel. The Council is trying to build Cambourne East by stealth! Let's make it difficult for them!

There have been over 4000 houses granted planning permission in the whole District since the draft plan was submitted, and we have 198 of those here in Highfields!! There are more of these applications yet to be determined so could be nearer 5000 eventually. These are speculative developments directly as a result of the lack of 5-year housing land supply, for building in locations that the Council would not have considered normally had it got its act together. This means they don't need to build 3500 on Bourn Airfield anymore as I am trying to get them to admit!!

The Cambourne to Cambridge (C2C) Busway

Further to my report in the last journal edition, the C2C project by the Greater Cambridgeshire Partnership (GCP) marches on, with a new public consultation starting on 13 November 2017 titled "Better Bus Journeys: Phase One".

Please take the time to respond to the consultation. It now ends on 29 January 2018.

Full details at <https://www.greatercambridge.or.uk/C2C>

Whilst you are considering your response to the C2C project, you may want to bear in mind the Western Orbital and its relationship to the C2C busway.

Park & Ride (P&R) Charges to be dropped

The GCP has agreed to subsidise the removal of the charge to park at the Cambridge Park and Ride sites starting in April 2018. Since the £1 charge was introduced, use of the Park and Rides has fallen significantly.

The Board has also been asked to review opening times of the P&R sites and the bus services provided commercially by Stagecoach; in particular to meet the demand for those with early starts and those wanting to spend a late evening out in Cambridge.

Business Fraud calls

Individuals and businesses are being warned to watch out for cold calls and online contact from fraudsters who are offering victims the opportunity to apply for Government grants for an advance fee. To make the grants look legitimate fraudsters set up bogus companies and convincing looking websites that claim to be operating on behalf of the UK Government.

They then convince people to fill out online applications with personal details, apply for pre-paid credit card to deposit their own contributions. Then get the card details on pretext of paying the grants into the account but never do, instead stealing the money the victim added to the card.

Please do not fall for this scam. If you receive one of these calls, hang up immediately and report it to the police.

Community Forum - Caldecote Facebook Group is the place to get connected to find out and join in what's happening in the village. If you are a newcomer to the village, it's a good place to start. To join, go to <https://www.facebook.com/groups/caldecote/> and request to join. If you don't have a FB account, it is easy to set one up just for this purpose. One of the four admins will message you directly on FB to verify that you are a bona-fide resident before adding you to the group. Please answer the screening questions to assist admins in dealing with the request. Group admins contact is caldecotefacebookgroup@gmail.com.

Gateways: A Journey to Christmas and beyond

Gateways had a wonderful time in the run up to Christmas getting together with families at the School Christmas Fair to decorate Baby Jesus stones. We challenged people to take them with them on their Christmas Journeys and to hide them... and then to see how far the stones would spread. Several people found them and posted pictures on our facebook page ([bit.ly/JesusJourney](https://www.facebook.com/bit.ly/JesusJourney)), with stones turning up in Caldecote, Cambourne, Coton, and Cambridge, and reports suggest they've also been spotted in Southend on Sea, Scotland and even Singapore!

(If you've any more photos, please send them our way!)

We also completed our Christmas Jigsaw. And, despite the Pop Up Nativity being snowed off, had great fun building a Snow Nativity Scene in the Peace Garden instead. But the journey doesn't end at Christmas. Gateways is a group of ***"friends and soon to be friends exploring what it is to live well, nurturing our spirituality, and supporting community in Caldecote"***. And so we are making plans for how to best journey on together in the New Year:

- Anyone is welcome to join us at our regular **Monday Morning Reflective Colouring** (9-10am in Sidewalk).
- Or to help out (or simply sit and natter) as we **attempt Impossible Jigsaws on Wednesdays** (10-11.30am in Sidewalk): we're currently attempting a 500-piece jumble of Jelly Babies.
- And after the huge success of our Community Art Worship in October, we're making plans for another **Special Event**. Watch this space!! (And feel free to make some suggestions)

Gateways is supported by Caldecote Church (in the Lordsbridge Team of Anglican Churches) and Hardwick Evangelical Church. iPhone, iPad or Android? We've got news for you!

Whether you're thinking of getting married at St Michael's, or enjoy events like the Caldecote Open Gardens or perhaps you are a regular worshipper or occasional visitor, you can download for free the newly launched Caldecote Church mobile app.

What is it?

It's a free app you can download onto your mobile phone or tablet from the Apple App Store or Android's Google Play Store (just search for "Caldecote Church"). Once installed, you can tap through the menu options to contact the Vicar or Churchwarden, enjoy the photo galleries, read Sunday's sermon or just browse the latest news.

What else does it offer?

There's a calendar, so that with a tap of your phone you can check what services and events are coming up, and a resources section offers an introduction to the Bible and a 'daily prayer' feature which gives you the text for the day's Morning Prayer service, designed to be read privately to start your day well. The app will also notify you if there's a last-minute change of venue or time, for example.

What's in store?

As the app develops, we'll add more resources and information, including how to arrange a wedding or christening. We will also be gathering feedback to introduce features that you'll find most helpful, so do drop me an email (dona@dmccullagh.co.uk) with any ideas you have.

Keep in touch with Caldecote Church through your phone or tablet:

- Read sermons
- Download resources
- Get notifications about service time/venue changes
- Save upcoming events to your calendar
- View photo galleries

Download the Caldecote Church App for free today:

Same time, same place... From this month, we've added a service on the second Sunday of each month, which now means that there's a service every week (except fifth Sundays where they occur, when we worship with other churches in the area) in St Michael's church at 11am. Typically the format will alternate between Holy Communion (weeks one and three) and Morning Prayer (weeks two and four), and we'd be delighted to see you.

You'll be assured of a warm welcome and tea or coffee after the service. See the timetable in this issue for details of special services over the Easter season. Or download the app onto your mobile, where you'll find all the latest information.

With best wishes,
Dona McCullagh (Churchwarden)

Light in the Darkness

One of the things I find hardest about living in the UK, even in the southern half, is the short days and long nights during the winter months. I find it harder to stay cheery, and long for the bright light of the sun to wake me up and to stay shining into the evening.

Getting up in the dark is perhaps the most difficult thing about it for me. I'm not exactly a morning person at the best of times, but when daylight is still an hour off and I have to drag myself out of bed I'm not fit for company. My poor wife knows it might take a while before I'm able to string sentences together in any coherent way!

In this country, and others at similar or more northerly latitudes, there have grown up a vast number of traditions that help us deal with the darker months: Halloween, Fireworks, and Christmas Lights have all helped us through since November.

Most of these have their roots in the Christian story, and virtually all have the symbol of light at their centre. The most popular church services through this time are often candle lit – beautiful warm flickering flames causing the darkness to flee.

Light is a hugely powerful and emotive symbol. Light helps us see what's around us, it lights the way ahead, it takes away fear, it helps things grow. Darkness, on the other hand, is associated with fear and with evil. Such associations were used with great effect by the Gospel writer John. He called Jesus 'the light who shines in the darkness'.

As the darkness begins to recede let us take heart. For even if it does not feel like there is much light around either personally or politically, we know light is coming. As St John so powerful put it, 'the darkness has not overcome.'

Rev. David Newton.

"More Pennies for St Michael's Church Caldecote urgently needed!!!"

The total we have collected so far is £2472.59 – leaving us to raise only another £27.41 to reach that magic goal of £2500! However that is still 2,741 more pennies!!!! But 100 pennies makes £1.00! So every little helps. (20 x 5p also counts faster!!!!) It only needs 28 people to collect £1.00 in pennies or larger coins and we are there!

It would be fantastic if we could reach or even exceed this target by the Spring of this year. So far we have a few more donations already in but not enough to make a confident New Year count yet.

Do please help us to reach this £2500 target.

So please if you are collecting pennies or other small coins - do carry on. They can be in any type of container or polythene bag - whatever!

Also if you can be persuaded to start collecting please do. Every single penny goes to the Village Church Restoration Fund so the pennies are very gratefully received. Keeping our oldest building properly maintained is an ongoing task and we do need villagers support to achieve this. There is no financial support from anywhere else other than the village.

SO PLEASE DO HELP

When you have any pennies or bigger coins to hand in please contact Sheila Stephenson Tel. 01954 210638 email: sheila1pc@yahoo.co.uk. Or simply call round to my door at 1. Porthmore Close Highfields Caldecote CB23 7ZR. If we are not in at the time please leave them by the milk crate to the left of the front door. I always check that. If you can't deliver them yourself I can arrange for them to be collected!

I look forward to hearing/receiving collections of any size. It will be **fantastic** if we can break/ even exceed the £2500 target in the near future !!!! Pennies of any quantity, however small, will be very gratefully received ready for the next count. Thank you so much to everyone who already is collecting and to those who are willing to start collecting. ANY help however – however small – is very very welcome.

Playgroup weekly Stay and Play sessions

Monday 9.30am — 11.00am in the **Children's Centre building** on the Caldecote Primary School site. This session will continue to run every Monday during term times.

Stay and Play is still open to **all children aged 0 to 5 years old and their parents/carers**, it is **free of charge** to attend (although any donation is always welcome), the parents/carers get to enjoy a cup of tea and coffee and, most importantly, the children get the opportunity to have lots of fun! (We will also provide a snack for all attending children during the session.)

Caldecote Primary School

Happy New Year to everyone in Caldecote from the school! We wish you all a happy and healthy 2018.

As always, Christmas at school was magical and such fun. Our festivities started with a whole-school 'Sing-Up' where classes performed Christmas and Winter songs they had been learning. The key stage 1 nativity was, as always, very special. It combined a traditional Nativity story with Strictly Come Dancing and both brought a tear to our eyes and made us smile. Then came our Christmas lunch which is always great fun. Thanks to our fantastic governors who come and help serve and join in with the festivities, especially the traditional Christmas conga. There were also class parties and the frosty outside added to the excitement with children having fun 'skating'. Our final day is traditionally a 'Games from Home' and it is a great way to end a very busy term.

We recently had another very enjoyable trip to the Arts Theatre panto 'Jack & The Beanstalk'. We had three girls who were in the cast: Maddie & Tess Oliver and Isabelle Nugent, and it was great to see them performing – such talented children. We are looking forward to an exciting term with trips and visitors who come and support the school and share their hobbies, jobs etc.

I have been selected to be part of a small group who will spend three days at the Houses of Parliament and spend time with policy makers and MPs and Lords. This is a unique opportunity and I am very excited and looking forward to posing some challenging questions and learning more about how and why decisions are made.

If you are interested in what goes on in school, please follow us on twitter

@caldecoteschool. We tweet most days and it would be great to have more followers.

Please also remember, we welcome volunteers, so if you have a spare hour we would love to see you!

Strictly Nativity at School

Wow! What a performance.
The Strictly Nativity Play,
By Year One, Year Two and Reception
It certainly made our day. 😊
Now I am no longer wanted
To help Year One with reading,
It was great for both of us to see
My old reading friends and meeting
Other members of our community
Who had come because they could
And know that rehearsals
Are always very good.
They get things up and running
Ensure everyone knows their parts
And the wonderful, acting, singing, dancing
And costumes, really touched our hearts.
We definitely all enjoyed it
And so glad we thought of coming
But who would have thought that
The nativity could be so Strictly funny?
Well done the staff and children
Because you all gave us such a treat.
We now look forward to Easter
To see just what you are able to do
The next time that we all meet.

Thankyou Everyone
Jenny and David Phillips

"Caldecote, Dry Drayton and Hardwick Community Car Scheme

"If you need a lift for medical, dental or essential social purposes such as shopping, hairdressing, visiting relatives etc do please ring one of the co-ordinators listed below. Please try to give 48 hours notice if possible and only leave an answerphone message on one phone line as otherwise it confuses co-ordinators and might mean two lifts or more get booked.

The co-ordinators are:

Marian Gibbens	Tel: 01954 211709
Hazel Swindells	Tel. 01954 212998
Lizzie Coe	Tel. 01954 211838
Gillian Stott	Tel. 01954 210942

For emergencies please try all numbers. (If no success with any of these - for emergencies ONLY - try Sheila Stephenson on 01954 210638. Please do not leave answerphone messages for emergencies except with Sheila.)

The above co-ordinators will link you with a driver who will come and pick you up at an agreed time, take you to your destination and deliver you home. All the drivers are volunteers and are only reimbursed for their petrol. Thus for each run to Comberton or Bourn the passenger pays the driver £3.50. For all other runs the passenger pays the driver 30p per mile of the journey. The mileage is calculated from the driver's front door to the destination

and back again. Currently when the mileage is submitted to the County Council by our treasurer (roughly every six months) Cambridgeshire County Council reimburse the drivers an additional 15p per mile for the mileage they have driven. This is one of the reasons we need plenty of drivers so that the passenger can ideally be near to where the driver lives, thus cutting costs. All drivers are DBS (originally CRB) checked at no cost to themselves.

New drivers urgently needed.

Recently three of our drivers have had to stop driving for us due to health and personal reasons. Thus we do need to appeal now for more drivers to take their place. In the past we have had a good response especially from Hardwick drivers but we now need more as it is here we have lost them from.

What we also need now however is a similar helpful response for drivers from Caldecote and Dry Drayton to keep driver's and passenger costs as low as possible. The scheme can't exist without drivers! Also everyone helping with the scheme is a volunteer, usually with their own busy lives or work, and the more volunteers we have the easier it is to match up times of lifts and nearness of pick-up places.

So if you are a driver and have a little bit of spare time please do come forward.

Passengers are always so grateful and your help makes things so much better for everyone.

If you can help in any way please contact Sheila Stephenson on 01954 210638 or email to sheila1pc@yahoo.co.uk. I look forwards very much to hearing from you.

Sheila Stephenson

A further note I would be grateful to have in all magazines. It is often difficult for elderly people to know where to turn for gardening help and I have already heard from several people in Hardwick who are very grateful for your note in your magazine's last edition. Thank you.

Gardening help available

A few local people have been very grateful for the help David Wilkerson has been offering with their gardens. He says he has time for a few more gardens while he is in the area (he lives in Royston). We use him and are very pleased with his services. If you would like to know more please ring him on 07887681962 or you can ring me on 01954 210638. I have already had several calls from Hardwick - so do ring if you are interested.

Caldecote Village Institute Limited

New Trustee needed

With the resignation of John Butler we are looking for a new trustee/director. The current board of trustees/directors are: Tom Footman (chair), Saskia Dart (Treasurer), Jan Roberts (Booking Officer), vacant (Secretary) and Simon Gautrey.

The work carried out by each trustee/director can be varied and like all voluntary charity bodies the job is as big as you want to make it. We are enthusiastic about the role the Village Hall plays in providing a place to meet for the residents of Caldecote and surrounding villages.

No experience of working on a charitable body is requiredonly your enthusiasm and interest. Being a trustee/director does not incur a personal liability for loss.

If you would like to become a trustee/director please write to Tom Footman (42 Highfields Road).

Heidi Allen
Member of Parliament for South Cambridgeshire

This is my first newsletter of 2018 and I would like to begin by wishing everyone a happy and healthy new year! It was an incredibly busy end to last year and is shaping up to be more of the same in 2018!

Having recovered fully from being sawn in half(!) at the Cambourne lights switch on event, I was able to join local residents for some of their Christmas celebrations. I always enjoy carol services and this year was no exception. I joined residents in Papworth Everard ("*Rudolph the Red Nosed Reindeer*" a highlight for me!) for their community carol service and attended the Christmas service at Holy Trinity Church in Elsworth. I was honoured to be asked to read one of the lessons and reflected on the work local community and faith groups do to bring people together not just at Christmas, but throughout the year. Our communities are stronger because of them.

I was also pleased to be asked to record a message for "*Talking News for the Blind*" which is provided to about 200 blind and partially sighted people in Cambridge and surrounding villages. This local charity does vital work to bring information and news to people who may feel isolated otherwise.

Last month, I invited Robert Halfon MP to South Cambs so he could see the excellent work undertaken at Villiers Park in Foxton. Robert is the Chair of the House of Commons Education Select Committee and understands the role education plays in social mobility.

Villiers Park are a phenomenal education charity who actively seek out the brightest kids from the poorest backgrounds, in the

most deprived parts of the UK. They work with them over a number of years, mentoring and supporting them to achieve their potential and a place at a top University or high level apprenticeship. I am keen to help them expand, so if you work for an organisation who may be interested in sponsoring them, please do get in touch with me or them directly at www.villierspark.org.uk

Back in Westminster, the Agriculture Minister George Eustice kindly agreed to meet with some of my South Cambs farmers to discuss what life might be like for them outside the EU. We had a full and frank discussion about what small and large farmers will need to keep this vital industry profitable. We all agreed it was a very worthwhile meeting and took great reassurance from George's understanding of the challenges the industry faces.

A common theme in my newsletters is my ambition to get round every school in South Cambs. First off, I took some pretty tough questions from Great and Little Shelford Primary's School Council! It was also great to be back at Cambourne Village College to hear from students who are members of CAMnesty, the Cambourne Amnesty youth group. The optimism and straightforwardness of young minds gives me a great energy boost. Finally, I visited Vine Inter-Church Primary School in Cambourne to understand the challenges facing a rapidly growing village with a constantly shifting population. The dedication of the staff and head teachers I meet in every school is humbling. It is always evident that every member of staff is completely and utterly committed to the children they teach.

Oakington's latest community facility is now open!

Crossways CommuniTea Café at 1 Longstanton Road, Oakington is a social enterprise with the aim of bringing the community together in a warm and welcoming environment.

It was a pleasure to do the honours and cut the ribbon (I was allowed proper grown up scissors on this occasion!) I hope you will be able to support the café by popping in soon for a cuppa. I can confirm beyond all doubt that they make a cracking brew!

Cambridgeshire's Police and Crime Commissioner is seeking views on their share of your council tax. They are proposing to increase it by £12 per year per household (based on a Band D property) in order to provide more front line police officers. The survey runs until the 29th January and can be found at - www.surveymonkey.co.uk/r/W3CD8P3

Since my last newsletter in December, I have held two surgeries - one in Gamlingay and one in Great Shelford. Listening to the views and concerns of constituents and helping them with issues affecting their lives is an important part of my role.

My next surgery will be on 3rd February 11am–1pm at the Hare and Hounds, 60 High Street, Harlton CB23 1ES. All are welcome so I like to run a “no appointment necessary” system, but the last surgery was incredibly busy so I'd recommend you get there early if you can.

Details of all upcoming surgeries can be found on my website - www.heidisouthcambs.co.uk. To contact me, please email heidi.allen.mp@parliament.uk. You can also phone my Westminster office on 020 7219 5091 about national issues or my constituency office on 01223 830037 for local concerns.

See you next month!

Friday: 2pm – 5pm

Saturday: 10am – 1pm

[By the time you read this article, we will have a new self-service machine installed at Comberton Library. The machine looks a bit different from the one we are all used to, but basically operates in the same way. The good news is that the new system accepts notes as well as coins, which we hope will be helpful for our customers. If you need any help in issuing or returning items, or paying charges, a staff member will always be on hand, so do please just ask.](#)

[We are also pleased to announce that we have a brand new display of ReadySpex reading glasses at the library, with a new and updated range of glasses available at very reasonable prices. If you need a little help with reading smaller print, or are without your prescription glasses, you may find that having a pair of ReadySpex will be of benefit. Do have a look at the display when you are next in the library.](#)

Upcoming Rhymetime sessions: 5th and 19th February and 5th and 19th March (10.30 -11.00 am). Please note that although these sessions are aimed at very young children we welcome older siblings and pre-schoolers who enjoy singing too! If you haven't been to a session before, please do come along with your baby, toddler, or pre-schooler and give it a try. We have a lovely volunteer running the sessions and it is great fun for both children and adults.
