We are continuing to raising money for a static Heart Defibrillator for Caldecote village use. Please support this very important village cause. **Gofundme.com Polly Field.**

Get together to help raise the last **£1,000** needed to complete our total.

We have raised **£1,081.00** so far on the **Gofundme.com** (Polly Anne Field) for our defibrillator.

Donations can be made to Polly Anne Field, Helen Cartwright, The Sidewalk Cafe or Caldecote Parish Clerk.

Thank you.

Pill Run

Owing to family commitments from March Jenny Phillips will be unable to do the Pill Run. The surgery and hairdressers have been informed. There is a poster in the hairdressers to inform users about this. Jenny has enjoyed the past four years but family must come first. She is hoping that someone else will be able to continue after February. If you are willing to take on this task please contact the Bourn Surgery.

Thank you

Jenny

Flourishing

I'm not entirely sure when 'wellbeing' entered our vocabulary, but in recent years it has become a popular notion. Schools are talking seriously about the wellbeing of staff and students alike; classes are being designed to foster greater wellbeing, in part to counter a perceived loss of the stuff amongst children and adolescents. My wife was head of Enrichment and Personal Development at her previous school and 'wellbeing' was central to what this was all about.

Personally, I'm a fan of this new semantic fashion. It seems like a wholistic kind of word – more than health or happiness even – it brings within its sphere social, spiritual, physical, and psychological aspects. And thinking about whether our culture is enabling or hindering the wellbeing of children and adults alike can only be a good thing in my book.

I heard on the radio the other day someone talking about basic psychological needs we have as humans. She listed them as: competence, autonomy and relatedness. These she suggested are the foundations of wellbeing: feeling like we're good at something, being able to make decisions and do things for ourselves, and having regular social interaction with people who know us.

These goods, she went on, were far more influential to our happiness – or wellbeing – than any material goods we might pine after. On reflection, it seems to me that these foundations of wellbeing are all being hacked away at a little in contemporary society, and we would do well to sit up and think about how we can better foster these psychological goods in our communities.

In many ways the Christian Faith is centred on wellbeing – or 'human flourishing'. At its best it asks the question of what it means to and how we might flourish as humans, and then sets about making that flourishing a reality. Like all human institutions the church usually fails to live up to its own vision, but my prayer is that the church might play its role in talking about what wellbeing is all about, and doing its bit – alongside others – to help foster it. For living well is what Jesus set us free for.

Caldecote Open Gardens, Arts & Crafts

As the spring bulbs emerge, we are turning our attention to this year's Caldecote Open Gardens, and looking to build on last year's success. We're hoping to involve more gardens, and also once again expand the variety of points of interest to show Highfields and Caldecote off to their best.

So, if you have a hobby you'd like to share, or a budding crafts business, please contact me (Dona McCullagh) to chat about how you might want to be involved. Last year we had local artists, a hand-made jewellery stall, a classic car show, to name a few. Our only limits are your creativity!

The date of the event will be confirmed soon – look out for it on the village Facebook site and the church noticeboard outside the school.

District Councillor News

Please note that I provide a full report to the Parish Council at its monthly meeting, so please check out the meeting minutes or my blog at www.tumihawkins.org.uk for more details on the items discussed below.

Welcome to the New Year. By the time you read this, the year will be well into January, but better late than never.

Bourn Airfield Development

As I reported in the last newsletter, Countryside Properties submitted an outline application to the Council in September 2018, to establish the access principles for the new village at Childerley Roundabout and onto The Broadway. The consultation period has now ended, but you can find the details at <http://bit.ly/S-3440-18-OL> and follow progress. In parallel, the council started Stage 1 work on creating the Supplementary Planning Document (SPD) which will set out guidelines and requirements of how the development will be built out.

The council employed consultants ARUP to create the SPD, and is involving local communities in the process. I attended the first SPD workshop held in November 2018, together with parish council representatives from Bourn, Cambourne and Caldecote. We discussed the issues of concern to our communities which the consultants took away to work on. I compiled the list which you can find here at <http://bit.ly/SPD-CommunityIssues>.

The next stage is for a follow-on workshop which should happen in the next month or so. If you have other concerns that have not been identified in the list, please feel free to let me know.

Caldecote Village Design Statement (VDS)

I want to say thank you to the Caldecote VDS group comprising of 12 volunteers led by Phil Claridge for their hard work on the project. They have made considerable progress since my update in the last newsletter.

This VDS is guidance prepared by the community, identifying the unique characteristics of the village that we want to see included in future developments in the village. I attended presentations to the Council by the consultants and lead representatives for all 8 villages, and was quite pleased with the contents of each VDS.

One common theme, not surprisingly, is the desire to keep densities low, access to green spaces in a way that respects historic characteristics, etc. The VDS when complete will be adopted by the Council and will carry legal planning weight in determining future applications.

Linden Homes – Former Gladman site

Linden Homes have submitted two applications for this site, the first for permission to build out phase 1 (66 houses) and the second to discharge some of the planning conditions that the appeal inspector set.

I was disappointed to find that Linden had ignored some of the advice they had received in early meetings, especially about the drainage concerns in the village. They have since held a further meeting with the Parish Council and have promised to revise their plans in line with the drainage plans agreed at the appeal.

Housing Provision

South Cambs recently agreed to buy 12 affordable homes at Grace Crescent, Hardwick. The 98 homes site is being developed by Hill and the homes being purchased now is part of the 39 affordable earmarked for the site and is for shared ownership homes. The remaining 27 will be for affordable rented homes.

The Council is also buying a further 4 affordable homes at Burton End, West Wickham and demolishing two houses on Pembroke Way, Teversham and redeveloping the site to provide 5 new council houses.

We aim to build up to 70 affordable homes per year, in a bid to provide homes in the district that people can afford to live in, this being one of the aims of the new administration.

Housing Strategy Consultation

The Council is currently consulting on its draft Housing Strategy. The strategy outlines key priorities such as homes for essential local workers, those on low to median incomes, older people, specialist accommodation for young people or those at risk, accelerating number of homes built per year, types of building companies involved in the delivery, high standard of design, promoting health and wellbeing through housing and working with key partners to deliver homes for our residents etc.

Read more and comment at <https://www.scambs.gov.uk/housing/housing-strategy-consultation/>.

Business Rate Relief

As one of our three main priorities is to support economic growth in the district, the Lead Cabinet Member for Finance has agreed revisions to the existing Council rates relief policy to reflect the changes that government announced in the October 2018 budget. It proposed the introduction of a new business rates relief for retail premises that are occupied and have a Rateable Value (RV) of less than £51,000

So if you are small business, you can find out more about the available relief by clicking on this link <http://bit.ly/NDR-Relief2019> or contact the Business Rates team at the Council for more information or to find out if you qualify.

Zero Carbon by 2050

In November, South Cambs councillors voted unanimously backing a motion at full council proposing that South Cambs will show responsible climate leadership by setting a target to be carbon neutral by 2050. The government target is 80% carbon reduction by this date.

All the work we do jointly with Cambridge City for the next local plan will look at how we achieve this objective in the design of new homes, waste and recycling services, transport networks, supply of energy, use of renewable energy etc.

We are also encouraging those that can do so to retrofit energy saving features in their homes to make, and reduce air pollution by using more energy efficient forms of transport etc.

Transport - The Cambourne to Cambridge (C2C) Busway

The Greater Cambridge Partnership has decided to start work on Phase 2 of the busway. As a start, parish and district councillors representing communities along the route are being invited to a workshop at the end of January.

The GCP has also issued an report giving update on the progress of the C2C Busway project. You can read and download it from this link <http://bit.ly/C2CDec2018Update>. It focuses

on Phase 1 of the busway project, and shows the preferred route alignment as being the one the GCP consultants have been pushing from the start, the off road option that cuts through Coton, West Cambridge and ends at Grange Road! How the buses get routed to the city after that is still very unclear

Here to Help You

If you have moved into the village in the last couple of months, welcome.

Please feel free to contact me in the usual ways if you need help with South Cambs council services (planning, housing, housing repairs, benefits, council tax, bin collection, environmental health, noise nuisance, etc).

You can also contact me by phone 210840, email tumi@tumihawkins.org.uk, @CouncillorTumi on Twitter, Facebook Page <https://www.facebook.com/itsCouncillorTumi/>, and on my Contact Me page on my website www.tumihawkins.org.uk. I also post up articles on my blog from time to time, so check it out for details of some of the items I have touched on here.

Caldecote Primary School

Happy, Healthy, High-Achieving

Happy New Year to everyone!

The new term has started with lots of fun and excitement – especially in our Year 1 class where everyone became ‘Pirates’ and went on a treasure hunt.

Unfortunately, our predicted budget for the coming year is bleak and we are again being urged to lobby parliament. Funding for Special Educational Needs is being most affected and we urge everyone to sign the petition to try and secure a better funding deal for Cambridgeshire schools

<https://petition.parliament.uk/petitions/232220>

We have also been asked to send out a plea for foster carers as this service is nearing crisis point. The message we are asked to send is:

“Have you ever considered becoming a foster carer? If so, now is a great time to start your fostering journey as Cambridgeshire County Council’s fostering service is currently recruiting carers to a wide range of rewarding roles. We are particularly keen to hear from anyone who could provide a home to a teenager in care and offer them the help and support they need.

To find out more about how you can make a difference, call today on 0800 052 0078 or visit www.cambridgeshire.gov.uk/fostering”

I am sure lots of you went to the Pantomime 'Aladdin' at The Arts theatre which was great family entertainment. You may not know that for the last couple of years we have had some pupils who have been in the supporting cast. This year it was Tess Oliver (Y6) and our ex Y7 pupils Maddie Oliver and Isabelle Nugent. Tess has written a report on her experience:

"Being a Panto Babe and performing in the pantomime Aladdin at the Cambridge Arts Theatre has been amazing! Every year, twenty lucky children are chosen to be Panto Babes, singing and dancing on stage – this year I even got a line to say! Everything started in September when they hosted the auditions. Any child could attend the first audition – there were almost 200 in total! Everybody learnt a routine and performed it in groups on the stage of the theatre in front of the director and the producer. The next day, the theatre called my parents to say that I was invited back to the second round of auditions, along with 37 other children. The second audition was more intense and I felt quite nervous. However, it was all worth it because I was selected as a Panto Babe. There were two teams of ten kids. As the pantomime was Aladdin, we were called Team Wishee (my team) and Team Washee. Rehearsals started in November and we practised every night for two hours after school. After more than two weeks, we moved into the theatre to practice with sets, props, lighting and costumes. I had four colourful costumes for different scenes and dances. The show was truly brilliant. There was even a flying carpet, which soared over the audience! The cast included Andy Abraham, who was on X Factor, and Wayne Sleep, who is a well-known ballet dancer who is only slightly taller than me! Everyone really loved Max Fulham (Wishee Washee) and his puppet Gordon the Monkey. I made lots of new friends, and I keep in touch with them and we have started to organise a get-together. We all became really good friends because we are together on stage and in the dressing room for six weeks. My team did a total of 32 performances. Tackling school and pantomime was often very hard work, since some shows ended at 9.30 pm and my parents had to drive me home from Cambridge. But somehow, I have managed to get through it all and I have loved every second! Everything about it is absolutely incredible and I would strongly recommend that any child with an interest in performing auditions next year."

Tess Oliver, aged 10

We were all so proud of Tess when we went to see the show and she made sure there was a special 'shout-out' for Caldecote Primary School.

We hope 2019 has started well for everyone and please do remember we always welcome volunteers, especially for reading with our younger children, so if you can spare an hour, please get in touch.

Our group meets at the Village Hall every second Tuesday in the month, any persons over 50 would be made very welcome, so please if you are able to join us, please come along. We had quite a busy December, during which we were invited to a Christmas get together with Toft group for an informal sing along and lots of seasonal refreshments. It was a lovely afternoon, we were made to feel very welcome.

We also held a Fish and chip evening in our Hall, which was well supported and very enjoyable. We also met for a meal at Hertford Mill, which everyone thoroughly enjoyed and will be repeated again this coming month. Then we had our Christmas Dinner at Doubletrees, which was very good and again very well attended. We also held our group Christmas party with friends from neighbouring villages, we played music bingo and had a

festive quiz and enjoyed the lovely spread, sherry etc., provided by our members, altogether a lovely afternoon, we all felt ready for Christmas after all that.

In January we had a really interesting talk by David Newton our team vicar, who kept us all well entertained for almost an hour, after which refreshments were served, and chance for a 'catch up' natter.

We are looking forward to other events this coming year, and hopefully talks to our group as often as we can arrange them.

Caldecote, Dry Drayton and Hardwick Community Car Scheme (Doctor's Run)

The car scheme is there for anyone who needs taking to essential destinations and has no other means of transport. Last month the scheme as a whole did 1759 miles of driving for largely medical connected visits but also including valid social runs. We give a big thank you to our co-ordinators and drivers. Without them this help could not be achieved and in this rural area people who cannot drive would be stuck for getting to essential facilities.

We have had another change of co-ordinators. These are now:

Lizzie Coe Tel. 01954 211838

Gillian Stott Tel. 01954 210942

Nicky Kerr Tel. 075 394 29494 or email: kerranica@gmail.com

Emergencies only – Sheila Stephenson Tel. 01954 210638

If there are no replies and the lift is urgent please ring for a taxi.

Panther Taxis are 01223 715715

Cambridge Country Cars are 01954 211742

URGENT NOTE FOR PASSENGERS

Please note some changes to our rules for 2019

- 1) **If you need a lift please ring co-ordinators - ONLY between the hours of 8.30am until 5.30pm on week days. Do NOT ring evenings or at weekends or on Bank Holidays.**

N.B. Our co-ordinators and drivers are all volunteers with their own family life and it is very disruptive to them all to be rung 'out of hours'. They are all so kind fitting the driving into their busy schedules that people ringing late at night or very early morning/weekends bank holidays etc., as has been happening recently, is unfair. It is these volunteers who make the lifts possible and available. Please also note - weekend runs must be arranged in advance on a weekday.

- 2) Please give ideally at least 48 hours notice for an appointment at a surgery and longer than this for a hospital appointment. Also please give as good notice as possible for other lifts needed. The more notice you give the better chance you will have of getting a driver.

Passenger's costs/ driver's petrol reimbursement.

1) The above co-ordinators will link you with a driver who will come and pick you up at an agreed time, take you to your destination and deliver you home. All the drivers are volunteers and are only reimbursed for their petrol. Thus for each run to Comberton or Bourn the passenger pays the driver £3.50. For all other runs the passenger pays the driver 30p per mile of the journey. The mileage is calculated from the driver's front door to the destination and back again. Currently when the mileage is submitted to the County Council by our treasurer (roughly every six months) Cambridgeshire County Council reimburse the drivers an additional 15p per mile for the mileage they have driven. This is one of the reasons we need plenty of drivers so that the passenger can ideally be near to where the driver lives, thus cutting costs. All drivers are DBS (originally CRB) checked.

2) Only residents / passengers from the Caldecote, Dry Drayton and Hardwick villages are included in the £3.50 scheme charge. All other villages such as Knapwell, Bourn, Little Eversden, Cambourne and others are charged at 30p per mile wherever they are going. There is always a minimum charge of £3.50 with the exception of charges for runs simply down the road and back within the same village e.g. for local residents within Hardwick and Caldecote. Please ask the driver about these.

N.B. Due to increasing demand we urgently need new drivers in all villages. The scheme can't exist without drivers and passengers are always so grateful.

Currently we have a special need for drivers from Dry Drayton. Over the last 3 months we have given 53 lifts to people from this village and we have no resident drivers.

If you can help in any way please contact Sheila Stephenson on 01954 210638 or email to sheila1pc@yahoo.co.uk. I look forward very much to hearing from you.

Pennies for St. Michael's

This Christmas we have had a good number of penny collections handed in and had it not been for all the nasty colds around we would have already counted them! However this will now have to wait a short while until everyone is better! Hopefully our new total of over £2600 will be in the next Journal!

So please if you are collecting pennies or other small coins - do carry on. They can be in any type of container or polythene bag - whatever! This Christmas jam jars have been popular - but as said any container will do!

Also if you can be persuaded to start collecting please do. Every single penny goes to the Village Church Restoration Fund so the pennies are very gratefully received. Keeping our oldest building properly maintained is an ongoing task and we do need villagers support to achieve this. There is no other financial support from anywhere else other than the village.

SO PLEASE DO HELP

When you have any pennies or bigger coins to hand in please contact Sheila Stephenson

Tel. 01954 210638, email: sheila1pc@yahoo.co.uk. Or simply call round to my door at 1, Porthmore Close Highfields Caldecote CB23 7ZR. If we are not in at the time please leave them by the milk crate to the left of the front door. I always check that. If you can't deliver them yourself I can arrange for them to be collected! I look forward to hearing/receiving collections of any size. It will be **fantastic** if we can break/even exceed the £2600 target in the near future !!!! Pennies of any quantity, however small, will be very gratefully received ready for the next count which is imminent. Thank you so much to everyone who already is collecting and to those who are willing to start collecting. ANY help however – however small – is very very welcome.

CALDECOTE PARISH COUNCIL.

Visitors to the Furlong Way park will notice we have had to decommission the hanging bars. This play equipment has now been removed and unfortunately will not be replaced until the new play equipment is installed.

We are looking for dedicated members of the community to help in raising funds and applying for grants, to ensure we can give our children an exciting and fun playground.

There will be a meeting at Caldecote pavilion on Thursday 24th January at 8.00pm for those interested in the future of the Furlong Way play area.

For more details, Please contact councillor Polly Anne Field.

CALDECOTE PARISH COUNCIL

Caldecote Parish Council meets at 8pm on the first Thursday of every month at the Sports Pavilion in Caldecote. Residents are welcome to attend these meetings. The current Parish Councillors are Cllr Phil Claridge (Chairman), Cllr Jack Lang, Cllr John Barker, Cllr Tumi Hawkins, Cllr Helen Cartwright, Cllr Polly Ann Field, Cllr Jamie Powell, Cllr Fiona Whelan and Cllr Gregor Jossaume.

Linden Homes

Linden Homes, the developers for the site at the top of Highfields Road, have submitted plans for phase I of the development to the District Council. The Parish Council have held a meeting with representatives of Linden Homes, at which the developers outlined their plans and the Councillors were able to raise their concerns about the departures of the plans from those originally agreed with Gladmans (the former owners of the site), particularly with respect to the proposed drainage solutions, landscape screening, pedestrian access and future management proposals.

Playground refurbishment – help needed

Residents will have noticed the recent removal of some pieces of play equipment that had become unsafe from the playground on Furlong Way. The play areas on both Furlong Way and Grayway Close are in urgent need of refurbishment and the Parish Council intends to apply for grant funding to ensure that these meet the needs of all children in the village. Help in raising funds and applying for grants is needed from members of the community – if you would be willing to contribute and are interested in the future of the playgrounds, please consider attending the meeting to be held on 24th January at 8pm in the Sports Pavilion.

Job vacancy: Parish Clerk

This is a part time, home-based role (75 hours per month) that involves managing staff, overseeing the administration & expenditure of the Parish Council, communicating with principal authorities and other organisations, managing the meeting process, preparing reports, and other functions including dealing with contractors and liaising with residents. Please see the website (www.caldecote.gov.uk) or contact parishclerk@caldecote.gov.uk for more information.

Comberton
Twinning
Association

20th
Anniversary

Help us celebrate the 20th Anniversary of Comberton Twinning Association and ensure we have more anniversaries to come.

Comberton is twinned with the village of Le Vaudreuil in Normandy - near the River Seine about 10 miles from Rouen. For two decades, we have made regular visits each year to and from Le Vaudreuil, and many friendships have been formed. The aim of the group is for families, couples and individuals to experience the way of life in each other's communities, staying in homes.

In this 20th anniversary year, the French are coming to Comberton 5-7 April 2019, and we plan to go there 20-22 September 2019, by subsidised coach and Eurotunnel. We have social and cultural events planned for the April weekend, including a Bring and Share supper at the Village Hall, and a college visit with celebration lunch at Girton College.

We are seeking new families, couples or singles to help host the visitors in April. In return, you will have the opportunity to be hosted in France in September and experience the French way of life. Speaking French is NOT a requirement, although it is a great opportunity for young and not-so-young to improve their language skills.

CTA is run for members by members. For more information, see www.CombertonTwinning.org.uk. To join, contact Glynis Ellis, tel 262214, email secretary@combertontwinning.org.uk.

Don't dither - give us a call. Take part in the 'Entente Cordiale' and overcome the Brexit blues!

Happy New Year! As we embark on 2019, I am certain it promises to be another very full year, both in Parliament and here in South Cambridgeshire.

My first meeting of 2019 was with Highways England (HE) to discuss the A14 and the A428 and was joined by Councillors Lynda Harford and Ruth Betson. I asked for the meeting not only to be updated on the progress of the A14 but also to make HE aware of the concerns which residents and businesses have raised with me about the inconvenience created by the work.

When delivered, the A14 improvement scheme will provide significantly better infrastructure, but throughout the construction period, I am maintaining regular contact with HE to ensure inconvenience is kept to an absolute minimum and that all possible mitigation is put in place. A detailed summary of the meeting is on my website -

<https://www.heidisouthcambs.co.uk/news/heidi-allen-mp-puts-residents-concerns-a14-project-team>

In relation to the A428, this Spring will (finally!) see a preferred route announcement for the new route between the Black Cat roundabout and Caxton Gibbet. HE confirmed to me that the project will cost significantly more than originally envisaged, so Treasury sign off has been the cause of the delayed announcement. I will of course provide you with details as soon as I have them.

As my newsletter can only ever be a snapshot (limited by a word count!) of my work, I keep my website updated with details of what I am doing on your behalf. If you have not looked recently, why not take a look at <https://www.heidisouthcambs.co.uk/>. At the beginning of January for example, I posted a video on the dedicated Brexit page in which I set out my views on the looming vote in the House of Commons on the Withdrawal Agreement. (By the time you read this, I'm hoping it will have been and gone!)

At the end of 2018, South Cambridgeshire received some fantastic news - Addenbrooke's is to get a new children's hospital. The need for a dedicated children's hospital in our region has been talked about for longer than I have been on the scene, so it is wonderful that it will now be delivered. The Health Secretary, Matt Hancock, confirmed that up to £100 million will be contributed by Government. We all know Addenbrooke's is a centre of excellence and this new children's hospital will enable them not only to continue to provide first class care in a new purpose built hospital but will also free up valuable space in the existing building.

Looking ahead, 2019 promises to be a big year for Addenbrooke's as the Royal Papworth Hospital moves to the site and plans for a train station pick up pace!

Bringing improved infrastructure and increased funding to South Cambridgeshire are key priorities for me so I am pleased to share with you a number of recent announcements about the next financial year.

Cambridgeshire County Council received a funding boost, with an increase in core spending power of 5.7%, taking the Council's funding allocation to £386.5 million. This increase in core spending power is more than double the average increase in England. This is a very welcome boost to spending on services in South Cambridgeshire.

The Autumn Budget also announced £6,294,319 for Cambridgeshire for adult and children's social care to help alleviate winter pressures on the NHS.

I continue to press for improved funding for our schools, and am working on a new campaign to drive the message home hard to Ministers, ahead of this year's major Government spending review.

Cambridgeshire Police have seen an increase in their funding from central Government and in addition, the Police and Crime Commissioner (PCC) has launched a consultation on the Police's share of Council Tax for 2019/20. Last year, the PCC introduced a new structure for local policing which brought an additional 50 officers to the front line. As a result of last year's increase in the policing part of the council tax, a further 55 officers were also recruited and are now in training.

The PCC is proposing an increase to the Police's share of the Council Tax of £2 per month per household (based on a Band D property). Please have your say -

<http://www.cambridgeshire-pcc.gov.uk/say-police-funding-cambridgeshire-2/>

On the 24th January, I will be joining the Commissioner and the Chief Constable for a public meeting on policing at Swavesey Village College, Gibraltar Lane, Swavesey CB24 4RS between 7 and 9pm. If you would like to hear more about the plans for policing in South Cambridgeshire, why not come along? Registration is required and details are here -

<https://www.heidisouthcambs.co.uk/news/heidi-allen-mp-attend-policing-public-meeting-24th-january-2019>

Finally, after a long and hard fought campaign, I was thrilled to learn that The Three Tuns in Guilden Morden had been saved for the community! Guilden Morden Community Pub Ltd completed the purchase of The Three Tuns on the 21st November 2018. With investment from 267 shareholders, the pub has now been saved. I want to pay tribute to everybody who has been involved in this impressive campaign – well done!

They are now advertising for a pub tenant – are you interested or know somebody who might be? If so, please email thethreetunsguildenmorden@gmail.com. Although I'm a former landlady, I can't apply but I will definitely be paying a visit and am happy to pull the odd pint! If there is anything you would like to talk to me about, my next "drop in" surgery where no appointment is necessary is on Saturday 9th February between 10.30 and 12.30pm at Caxton Village Hall, Gransden Road, Caxton, CB23 3PL. My next "by appointment" surgery will be between 3 and 5pm on Friday 1st March at Melbourn Community Hub, 30 High Street, Melbourn, SG8 6DZ. If you would like an appointment, please do call my office. In the meantime, if you would like to contact me, please email heidi.allen.mp@parliament.uk or call my office on 01223 830037.
