## District Councillor News & Update

The past two months have been busy, much to do with planning issues and elections!

### **The Draft Local Development Plan (LDP) – Bourn Airfield**

The public examination of the policy for Bourn Airfield New Village took place on 4<sup>th</sup> April 2017. Preparations were intense, as finally we had the chance to present the case for not building on the airfield. I have written a fuller summary in my blog here at <http://bit.ly/LDP4April>. The main issues discussed included the effect on Caldecote, coalescence of the villages on the A428 corridor, creation of an urban sprawl, inadequate transport plans or proposals, drainage.

One key point that came out of this was the admission by developers that the site allocated could accommodate just 3,100 houses. Well we knew that all along. Additional land on the airfield would need to be allocated.

Although SCDC had made the decision to allocate the additional land, the Planning Inspector refused to consider those changes, indicating the Council could not make such major changes without going back out to consultation. Victory for common sense and fairness. SCDC continue to pile blunder on blunder, in order to try and mitigate the original mistake of allocating the airfield in the first place.

### **The Cambourne to Cambridge Busway**

The City Deal Board, following a presentation by the A428 LLF (Local Liaison Forum) agreed to consider Option 6, a completely on-road solution, as an alternative to the Option 3/3a. I explained the difference in the routes in the last Journal edition. The result of the extensive modelling being done on these routes will be presented to the Board in July 2017 for a decision.

However, we expect the newly elected Mayor may have something to say about the proposals!

### **Gladman Application for 140 Houses - Appeal Hearing**

The appeal for this planning application took place in mid March. SCDC fielded a QC and Planning Consultant as witness, whilst Gladmans fielded a QC and four expert witnesses. Although it was an intensive 3 days of listening to and presenting facts, questioning Gladman's expert witness and being questioned ourselves, the Caldecote team gave a good fight for the village.

The outcome of the appeal is not yet known but expected soon.

### **CALA Homes – Application for 71 Houses**

This is the proposal to build on land behind 18-28 Highfields Road. It had been delayed pending the outcome of the Gladman Appeal Hearing, but SCDC changed its mind and the application is to be heard on 10<sup>th</sup> May 2017, and I will be speaking at the planning committee meeting on behalf of the village..

Proposals include affordable housing (potentially 18) for allocation to local residents and S106 monies for infrastructure. I will report on the outcome in the next edition.

### **SCDC New Chief Executive Officer**

SCDC has been on the hunt for a new CEO since Mrs Jean Hunter left mid 2016. Following an extensive recruitment process, Mrs Beverley Ann Agass from South Kesteven District Council was the successful candidate. I attended the Full Council extraordinary meeting on 13<sup>th</sup> April 2017, with other Councillors to ratify her appointment. She will be starting later this summer.

### **County Council /Mayoral Elections**

Thank you to all who exercised their vote on 4<sup>th</sup> May 2017. The new County Councillor is Conservative Lina Joseph, and the first Mayor of the Combined Authority is Conservative James Palmer. I am hopeful that the new County Councillor will step up to the plate and make amends for her Conservative predecessor who was not seen in the village for the last 3 of the 4 years of his term. And I look forward to working with her to fulfil her pledge to protect our communities' identities and quality of life. Afterall "Caldecote is as lovely and rural as our countryside can be"

The overall make-up of the County Council is now Conservatives 36, Liberal Democrats 15, Labour 7, St Neots Independent 2, Independent 1, UKIP 0 (lost all their 12 seats previously held).

### **Broadband for Old Caldecote is**

The project to bring the old part of the village onto the information superhighway is ongoing. Connecting Cambridgeshire (CC) project team informed me that the cabling installation is now complete and that project is moving into the testing and commissioning phase. Although the team envisaged a delivery date in May 2017, it is now looking to be slightly later. So near and yet so far. But we will get there.

**Caldecote Facebook Group** is the place to get connected to find out and join in what's happening in the village. To join, go to <https://www.facebook.com/groups/caldecote/> and request to join. If you don't have a FB account, it is easy to set one up just for this purpose. One of the four admins will message you directly on FB to verify that you are a bona-fide resident before adding you to the group. If you have concerns or need help, please email the group admins at [caldecotefacebookgroup@gmail.com](mailto:caldecotefacebookgroup@gmail.com).

### **Here to Help You**

I hold monthly councillor drop-in surgery in Caldecote on first Thursdays of the month 7pm to 7.50pm at the Village Hall, and in Toft on first Mondays of the month 6pm to 7pm at the Toft Peoples Hall. Please feel free to come by if you wish to talk about issues with South Cambs council services that I can help with (planning, housing, housing repairs, benefits, council tax, bin collection, environmental health, noise nuisance, etc).

You can also contact me as usual by phone 210840, email [tumi@tumihawkins.org.uk](mailto:tumi@tumihawkins.org.uk), @itsCouncillorTumi on Facebook, @CouncillorTumi on Twitter and on my Contact Me page on my website [www.tumihawkins.org.uk](http://www.tumihawkins.org.uk). I also post up articles on my blog from time to time, so check it out for details of some of the items I have touched on here.

Did you attend Melbourn Village College? If so, the College would like to hear from you. We are trying to get in touch with as many past pupils as possible from all walks of life to find out where they are now and what they are doing.

Deputy Principal Regina Lawrence said: "It is part of our 'Somebody Amazing' starts at Melbourn Village College programme to inform and inspire current students.

"It doesn't matter whether you left the College three years ago or 30, your story is still one we want to hear.

"We are also offering alumni the chance to get involved with the College again – if they want to – as mentors or by offering work experience to current students."

Melbourn alumni include Olympic diving medallist Dan Goodfellow, Lucy Landymore, a Young Musician of the Year finalist, Harry Galloway, part of the National Youth Dance Company, and Stephanie Winiecki, a member of the Young Shakespeare Company.

For more details of how to tell your story or to get involved, please contact Alison Friday on 01763 223400 or [office@melbournvc.org](mailto:office@melbournvc.org) or visit the alumni page of the website

## Comberton Library

Opening Hours:

Monday: 10am – 1pm

Wednesday: 10am – 1pm, 2pm -5pm

Friday: 2pm – 5pm

Saturday: 10am – 1pm

More details can be found on the Library Service website at:

<http://www.cambridgeshire.gov.uk/library>

We have an afternoon of fun at Comberton Library arranged for the Thursday afternoon of the half-term holiday, 1<sup>st</sup> June. We are very excited that the Norris Museum at St Ives is going to run a family activity session entitled 'Toys from the Past'. This will be a drop-in event running from 2.00 – 4.00pm, so do come along with your children to discover and play with toys from long (and not so long) ago. There will also be the opportunity to make your own thaumatrope toy, and, if you are not sure what this is, do pop in with your children on 1<sup>st</sup> June to find out.

We are also delighted to announce that this year's Summer Reading Challenge, which takes place each year over the school summer holidays, will be Animal Agents, illustrated by the wonderful Tony Ross. The challenge is for children to read six books over the holidays, tell us what they have been reading, collect stickers on their own collector's folder and help the Animal Agents to find out what's been going on! Posters and details about registering for the Animal Agents challenge will be available in the library before the schools finish in July for the summer break.

Over recent years we have had some brilliant teenage volunteers assist us with the Summer Reading Challenge. If you are a teenager, with a few hours to spare over the school summer holidays, and would enjoy listening to children telling you about the books they have been reading, we would love to hear from you. Just call into the library for more information. As we will need to ask your school for a reference we will need you to contact us by 1<sup>st</sup> July.

Upcoming Rhymetime sessions: 5<sup>th</sup> and 19<sup>th</sup> June and 3<sup>rd</sup> and 17<sup>th</sup> July (10.30 -11.00 am). The session on **5<sup>th</sup> June** will be linked to National Bookstart Week, which this year has the theme 'Let's Go Outdoors'. Please note that although these sessions are aimed at very young children we welcome older siblings and pre-schoolers who enjoy singing too!

## **Caldecote Peace Garden.**

We are pleased to announce that the benches are now in place on The Caldecote Peace Garden. Jim French of RJ French Landscapes, kindly put the hard standings down for us so we could use them. We hope you will take the time to go and sit awhile and enjoy them. We will continue to raise money to help with the creation of The Peace Garden and have set up a 'Just giving' page for your donations. ## **The Easter bonnet parade.**

What a lovely day! It was great to see so many of you take part. The bonnets were judged by Mary Anne Claridge and the winners were Marcos Albuquerque, William Kent, Emelia Meinjes and Fiona Whelan. We would like to thank Gateways for our wonderful story teller, Amy Robinson. Also thank you to Caldecote village club for being our host. We hope you all had a great time and look forward to see you all again next year.

## Gateways: Jigsaws, Easter Bonnets, Shelters and more...

If you've passed The Sidewalk on Wednesdays, you'll have spotted a group from Gateways attempting our **Truly Impossible Jigsaw**... with the help of everyone else who pops in for a coffee! We're there most Wednesday mornings (10.30-11.30) if you fancy joining this community effort... or simply for a chat as we *"meet with friends and make new ones."*

We had fun when we gifted Amy The Storyteller to the **Easter Bonnet Parade** organised by Poly on behalf of the Peace Garden, and with the support of the Village Club and loads of local residents.

Amy's many hats and transfixed as she told a Traditional Tales – using each! These included The Soup, and an amusing 'Mr and Mrs Cleopas.' Even hat!

We're also looking forward fair at the **Caldecote Cross Day**: come and try your **Building** as we talk about (There's no cost, just lots of fun!)

puppets had us all wide selection of different headwear for Three Sillies, Peg Easter Hat story about Zach the puppet had a

to running a stall at the **Country on Father's** hand at **Shelter** 'where we feel safe'.

These things have grown organically as the Gateways community try to help each other explore what it is to live well, recognizing that nurturing our spiritual side and thinking about our values is important. As we do this, we hope to grow as a community of fellow travellers, who can also support the wider village community here in Caldecote.

We also hold monthly **Gateways Gathering**, often over a shared tea on Sunday afternoons. These give us the opportunity to explore how the Christian faith provides a foundation for all that we do. So we'll be at the Village Hall on Sunday June 11<sup>th</sup> if you want to pop along for *"for something to do, something to eat, and something to think about."*

Community Car Scheme

## CALDECOTE, DRY DRAYTON AND HARDWICK COMMUNITY CAR SCHEME

If you need a lift for medical, dental or essential social purposes such as shopping, hairdressing, visiting relatives etc do please ring one of the co-ordinators listed below. Please try to give 48 hours notice if possible and only leave an answerphone message on one phone line as otherwise it confuses co-ordinators and might mean two lifts or more get booked.

The co-ordinators are:

Marian Gibbens	Tel: 01954 211709
Hazel Swindells	Tel. 01954 212998
Lizzie Coe	Tel. 01954 211838
Gillian Stott	Tel. 01954 210942

**For emergencies please try all numbers. ( If no success with any of these - for emergencies ONLY - try Sheila Stephenson on 01954 210638. Please do not leave answerphone messages for emergencies except with Sheila.)**

The above co-ordinators will link you with a driver who will come and pick you up at an agreed time, take you to your destination and deliver you home. All the drivers are volunteers and are only reimbursed for their petrol. Thus for each run to Comberton or Bourn the passenger pays the driver £3.50. For all other runs the passenger pays the driver 30p per mile of the journey. The mileage is calculated from the driver's front door to the destination and back again. Currently when the mileage is submitted to the County Council by our treasurer (roughly every six months) Cambridgeshire County Council reimburse the drivers an additional 15p per mile for the mileage they have driven. This is one of the reasons we need plenty of drivers so that the passenger can ideally be near to where the driver lives, thus cutting costs. All drivers are DBS (originally CRB) checked at no cost to themselves.

### **New drivers always needed.**

As the result of past publicity in the Hardwick Happenings several new drivers have come forward offering to help. This is a fantastic response and they have all now been DBS checked. We are very very grateful to them.

What we need now is a similar response for drivers from Caldecote and Dry Drayton - as stated above - to keep driver's and passenger costs as low as possible. More drivers from Hardwick are always most welcome too.

As said, we always need more drivers! As also said everyone helping with the scheme is a volunteer, usually with their own busy lives or work, and the more volunteers we have the easier it is to match up times of lifts and nearness of pick- up places.

Thank you so much to all those who have volunteered in Hardwick, particularly in response to our recent plea. And to those still thinking about it in Hardwick, Dry Drayton or Caldecote do please come forward. Passengers are always so grateful and your help makes things so much better for everyone.

If you can help in any way please contact Sheila Stephenson on 01954 210638 or email to [sheila1pc@yahoo.co.uk](mailto:sheila1pc@yahoo.co.uk). I look forwards very much to hearing.

## Caldecote Book Group

We meet monthly at each other's homes (hosting is strictly voluntary) to discuss our book of the month. We read a range of different genres from modern fiction to classics, biographies, travel etc. usually meeting on Thursdays at 7.30pm. We are keen to welcome new members, so if you'd like to pop along and see what our meetings are like please contact us to find out about the next one,

### Forthcoming meetings:

May 26<sup>th</sup> Children of Men / P.D. James

If you are interested in coming along to a meeting please contact Hilary on 210112 for further details.

## **Caldecote Local History group**

We have Julie Day and her cousin John Hagger to thank for this.

William J Green of Highfields Farm Caldecote

*William J Green © D Green*

William J Green came to Cambridgeshire from Yorkshire in 1887, and leased Highfields Farm from the mid-1890s to the 1920s. Last month David Green, the great grandson of William J Green visited Caldecote to see where his ancestor lived and worked and he told Caldecote Local History Group all about his great grandfather. In the next edition of the Caldecote Journal we will be telling his extraordinary story.

And thanks again to Julie and John.

You can contact us through our website, or email [caldecotelhg@ aol.com](mailto:caldecotelhg@aol.com), or phone Sue Day on 210655.

\* There is no service at St Michael's on the second Sunday of the month, but you are warmly invited to join with one of the services being held across the Lordsbridge Team. Sign up for the Caldecote Catch-up e-newsletter via our website to be notified of the times and venues of local services.

\*\* To be confirmed – as this issue of the Caldecote Journal goes to print, we are planning a special Evensong service to dedicate the new stained glass window design in memory of Dr Colin Bibby, but the date is still to be confirmed. Please check our website or sign up to the Caldecote Catch-up e-newsletter for details.

\*\*\* We encourage members of Caldecote Church to join with other churches in the Lordsbridge Team on fifth Sundays of the month where they are able, but offer our regular fifth Sunday BCP Morning Prayer at St Michael's as an alternative. Sign up for the Caldecote Catch-up e-newsletter via our website to be notified of the times and venues of fifth Sunday services across the Team of churches.

**In thanksgiving for the life and work of Dr Colin Bibby**

**"I am trying to paint the glory of God, and through that the meaning of life" – the words of the artist John Reilly (1928-2004). His painting style echoed stained glass, and his words bring out something of what has been achieved this past month in our church windows.**

I reported in the last issue of the Caldecote Journal that specialist church glaziers had been booked to restore a number of windows that had become very fragile due to weathering over the years. I'm delighted to say that, as I write, 3 of the 5 earmarked for re-leading and cleaning are now completed, and by the time you read this the final two will be back in position. The difference already is astounding – it's hard to believe it's the same glass – the cataract-like glaze has disappeared and the sunshine streams in through brilliant glass that now connects us visually with the greens and yellows of the churchyard beyond. Do take the opportunity of the upcoming Caldecote Open Gardens (July 1<sup>st</sup>/2<sup>nd</sup>) to come and see for yourself.

The restoration work was made possible by the extraordinary fundraising effort of Dr Colin Bibby following his diagnosis with an inoperable brain tumour in 2004, and by the generosity of those who donated in response to his appeal. What they did together – and some of those donors will be reading this article today – was to enable us as a church community to live up to our implicit responsibility to hand the church building on to future generations in a better state than when we received it. We hold this building as it were in trust for the future, and my sincere gratitude as churchwarden goes out to you all.

I personally love projects which begin with a particular aim – in this case, making our windows safe, eliminating drafts from cracked glass and degraded leading, and enhancing our village church for current and future generations – but end by producing something of even greater and unforeseen value. In recognition of Colin Bibby's generosity, and to mark his significant contribution to ornithology, we commissioned stained glass art for one of the small central diamond glass pieces that make up one of the windows overlooking the south side of the churchyard, where a headstone stands in memory of Colin Bibby.

The artwork, which is now in place, depicts the bird to which he devoted so much of his professional life – the Dartford Warbler. This unassuming and delightful bird hung on the edge of extinction in the UK following the severe winter of 1962-63, when it was reduced to just 12 pairs. At the last count, there were 3,208 pairs – a 100-fold increase partly due to

recent mild weather, but also a result of better management of their lowland heath habitat following Dr Bibby's research. His PhD became a classic study which had a huge impact not just on the specific species but on the work of hundreds of conservationists across the world, whose influence will itself extend far into the future. His work was recognised by two of the most prestigious awards in the fields of conservation and ornithology – the Heineken Prize and the RSPB Medal.

We are honoured to be marking his contributions – to both the church and the natural world – with a stained glass window design that will be seen and loved by generations to come, and serve as an inspiration to us all now in our own calling to be 'stewards', to use the biblical term, of the beautiful and delicate world in which we live.

Please do look on our website for more background on Dr Bibby's work and the window project, and for 'before and after' photos of both the design and the restoration work. As I write, we are in the process of planning a service (tentatively scheduled for the evening of July 16<sup>th</sup>) to dedicate the windows. We hope to have some special guests to take part – again, please look on the website for up-to-date information – we would love you to join us.

With best wishes,

*Dona McCullagh* (Churchwarden)

#### **More News in Brief from Caldecote Church:**

- Finally, a huge thank you to everyone who volunteered for what turned out to be a very popular May Day afternoon at Childerley gardens. We exceeded our ambitious target of £1,000!
- Due to new work commitments, Nichola Fernandez has stood down from her role as churchwarden. I want to take this opportunity to thank her for being a fantastic churchwarden, and particularly for her tenacity in following through the plastering project and taking on numerous other often behind-the-scenes responsibilities. Nichola, you have been a pleasure to team up with – thank you!
- Would you like to have service books dedicated in memory of a loved one? Or in thanksgiving for a special occasion? We have just purchased new service booklets for our new fourth Sunday services which will follow the pattern of contemporary Morning Prayer. To help us cover the cost of the books and to make each copy personal to the local community, we are offering the opportunity to have copies dedicated with your wording. Find out more on our website.

If you'd like to receive updates from me in between issues of the Caldecote Journal, drop me an email on [dona@dmccullagh.co.uk](mailto:dona@dmccullagh.co.uk) to ask to be added to subscribers of the Caldecote Catch-up e-newsletter.

### Caldecote Open Gardens 2017:

The weekend of 1<sup>st</sup> and 2<sup>nd</sup> July, 2-6pm

**We are at the exciting stage of seeing the fruits of fundraising over the years, following the replastering of the church interior walls and most recently the window restoration project (see the separate churchwarden's article). It's spurring us on to continue the good work, just as we plan for our main annual fundraising event, Caldecote Open Gardens, which this year will be held over the first weekend in July.**

Everyone is welcome, and there will be something for everyone! As well as the full spectrum of gardens from small gems to landscaped grounds and a Site of Special Scientific Interest, there will be a range of special highlights for everyone, whether you are a young seedling or established member of the Caldecote village patch! Keep an eye on the Caldecote Church facebook page and twitter feed (@CaldecoteChurch) for more details nearer the time, and do share with friends and colleagues.

A map of all that's on offer will be posted outside the Sidewalk Coffee Shop, and programmes will be on sale (£5 per adult – accompanied children go free) at the first garden you visit. Gardens are open from 2pm to 6pm on both days.

Caldecote Open Gardens is a thoroughly enjoyable chance to explore the village and its often hidden gardens, breathe fresh air, share gardening tips, admire nature and eat homemade cake – so book the date!

It's not too late to join in as a garden owner – if you'd like to add your garden to the list, please contact Roger Sylvester-Bradley on 01954 210560 or [roger@sylvesterbradley.org](mailto:roger@sylvesterbradley.org) or Dona McCullagh on 07761 236998 or [dona@dmccullagh.co.uk](mailto:dona@dmccullagh.co.uk). Your garden doesn't have to be Anglesey Abbey! We welcome gardens of all shapes and sizes, from a reclaimed dustman's yard to imaginatively stocked vegetable gardens and meet-the-animals children's gardens.

# Are you looking for a pre-school place for your child?

**Caldecote Playgroup is a friendly pre-school with excellent staff and an 'outstanding' rating from Ofsted.**

From September 2017 we will be offering extended hours and 30 hours' funded childcare, as well as 15 hours' funding (for 3 and 4-year-olds), places for funded 2-yearolds and Early Talk Boost.

If you are interested in visiting Playgroup or would like to apply for a place, please email [contactus@caldecoteplaygroup.co.uk](mailto:contactus@caldecoteplaygroup.co.uk) or call Anesta Cooper on 01954 210857.

You can add your child to our register of interest from 18 months, even if you are not sure exactly what your childcare requirements will be.

At last the school has new fencing and the long-awaited parking restrictions have been actioned. The area outside school at the peak times in the morning and afternoon is now much safer. Thank you to everyone who complies with the parking restrictions – for those who don't be warned that you may get a penalty notice.

We hope some of you noticed the children out and about during the Great Spring Clean-Up. Classes went to different parts of the village collecting litter – it was amazing how much they collected and some of the odd items they found!

We are in our swimming season and you will see lines of children walking to and from Mr. & Mrs. Hawkin's pool. We are very grateful for the continued support they give the school – this is a fabulous facility and it enables us to give all children the excellent opportunity of learning to swim from a very young age.

## Heidi Allen

**Member of Parliament for South Cambridgeshire** Heidi Allen, Newsletter #18  
(March – April 2017)

I'd like to start by thanking the hundreds of you who took the time to contribute your views to the Fairer Funding Schools Consultation and submit your thoughts to me. I will be handing the letters and petitions over to Justine Greening next month as I continue to push for fairer funding for our South Cambridgeshire schools.

In my opinion, our schools are the best in the country and I was delighted to visit Coton Primary School to observe the Primary Life Education Unit teach pupils about the dangers of drugs and alcohol. This two-classroom mobile unit was part-funded by the Rotary Club and provides early education about healthy living and drug awareness to school children. The

unit needs to access additional funding to survive, so if you're a local business and would like to help, please contact my office who can put you in touch with the relevant people.

The importance of this early intervention was even more obvious after I took part in Alcohol Health Alliance's 'Day of Action' by visiting the liver ward at Addenbrooke's. AHA demonstrated the devastating effects of cheap alcohol on individuals and communities and reinforced the need for a community wide approach to tackling this problem. Whilst I was there I signed up with <https://www.organdonation.nhs.uk/register-to-donate/register-your-details/>, please take a look at their website and have a think about whether you'd like to register to donate your organs too.

I'm a big advocate for community action, so am pleased to support Tesco's Community Food Connection programme. Tesco have launched a new scheme to offer surplus food to local charities through a dedicated app. If you're a local charity that could make use of some free produce please take a look at <https://www.tesco.com/community-food-connection/>. I think it's a brilliant scheme.

I was asked to talk to both Hills Road Sixth Form College and separately, Duxford Explorer Scouts in mid-March about the job of being an MP. I am always encouraged when young people are interested in democracy and politics. Our democracy feels particularly alive at the moment so there has never been a better time to get involved. If you have ever considered a career in local or national politics, do get in touch and I'd be happy to share my experiences.

I was honoured to be the designated official ribbon cutter at two local events last month by formally opening CHS's affordable and social housing development at Caxton as well as Great Shelford's Post Office. It's really important that we 'use and don't lose' community assets like the Post Office so please support Prakash and Jayshri by visiting them and using their service. They work so very hard to serve their local community.

I spent a productive morning with local councillors and Highways Officers assessing the issues that many of you have raised about the Flint Cross junction on the A505. This road is firmly on the County Council's radar and I'm working with them and local Parish Councils to make this road safer. We're in the early stages of discussions but the consensus is there – improvements need to be made.

Work on the City Deal continues and I attended the Local Liaison Forum to support the launch of Option 6 – the Cambourne to Cambridge Better Busway. This proposal intends to utilise existing road structures to develop a fast yet cost-effective bus route into Cambridge, thus minimising the need for a costly busway development. I'm pleased that the City Deal have agreed to go back to the drawing board and assess all possible routes and P&R locations.

Many of you took the time to write to me after the devastating attack on Parliament last month. As I wrote at the time, we are all indebted to PC Palmer for making the ultimate sacrifice in defending our democracy. I thank all of you who took the time to share these sentiments.

As always, if you have anything you'd like to share with me, you can find details of my upcoming surgeries here - [www.heidisouthcambs.co.uk/residents-drop-surgeries](http://www.heidisouthcambs.co.uk/residents-drop-surgeries). I'll be in Cambourne in April and Bassingbourn in May. You can also phone my Westminster Office on 020 7219 5091 about national issues or you can call my constituency office on 01954 212707 to raise local concerns. You can also email me at [heidi.allen.mp@parliament.uk](mailto:heidi.allen.mp@parliament.uk).

## CALDECOTE VILLAGE INSTITUTE LIMITED

### New Trustees needed

We are looking for a new trustee/director who would be willing to spare time helping to run the Village Hall.

The work carried out by each trustee/director can be varied and like all voluntary charity bodies the job is as big as you want to make it. We are enthusiastic about the role the Village Hall plays in providing a place to meet for the residents of Caldecote and surrounding villages.

No experience of working on a charitable body is required .....only your enthusiasm and interest. Being a trustee/director does not incur a personal liability for loss.

If you are interested then please write to Tom Footman (42 Highfields Road) or call 210318  
Charity number:1114201 Registered in England & Wales, company  
number 5736926

### The Caldecote Journal

The main purpose of the Caldecote Journal is to keep the community informed of local issues, events and the activities of our village organisations and to publish useful information. The Journal will also publish reports, short stories, poems and other material produced by members of the community, subject to available space. All contributions are welcome.

If you are active in a village organisation please use the Journal to report your activities and inform the community of any meetings, events and functions that you are arranging. Contributions by Email are preferred, but small articles hand written or typed are also welcome.

**The deadline for the next Journal is the 8th May 2017.** Please have all material to the Editors by this date.

The Journal is financed by the Caldecote Parish Council and is issued every other month to all parish households free of charge. The current Journal can be viewed on the village website: [www.caldecote.gov.uk](http://www.caldecote.gov.uk).

The Editors are: Saskia Dart
