

CALDECOTE PARISH COUNCIL
(South Cambridgeshire District)

DRAFT MINUTES

**A meeting of this Council was held at the Sports Pavilion, Caldecote On
Thursday 5th July 2018.**

Members of the public are reminded that copies of reports and supporting documentation for agenda items can be obtained from the Parish Council website, <http://caldecote.gov.uk> or upon request to the Parish Clerk.

Present: Chairman Cllr Jack Lang (JL), Vice Chairman Cllr Phil Claridge (PC), Cllr Polly Field (PF), Cllr Helen Cartwright, Cllr Fiona Whelan, and Cllr and District Cllr Tumi Hawkins (TH)

In Attendance: Frances Laville (FL), Parish Clerk, Katy Reeves (KR), Deputy Clerk, County Cllr Lina Joseph. There were two members of the public present.

1. **Apologies for Absence** - Apologies were received from Cllr John Barker
2. **Chairman's Announcements** - The Chairman welcomed everyone to the meeting.
3. **Members Declarations of Interests or Requests for Dispensations** – There were no declarations of interests or requests for dispensations.
4. **Minutes of the Last Meeting** – One amendment was proposed: that the action assigned to Cllr P Claridge to contact the probation service with regard to cleaning of the bus shelter be deleted. The minutes of the Council meeting held on 7th June 2018, as amended, were approved as a correct record and duly signed by the Chairman. Proposed HC, seconded PC. Unanimously Agreed.
5. **Outstanding Actions and Matters to be Reported from these Minutes** - The outstanding actions items list was received and updated where necessary.
6. **Open Forum for Public Participation** –
Q. Before installing a new fence along the south edge of the recreation ground, it is recommended that the Council arrange for clearance of the ditch beyond the fence, which might otherwise become inaccessible.
A. Ditch clearances has been approved at a previous meeting and assigned to a contractor.
7. **Councillor Co-option** – Mr Jamie Powell had submitted an application to be co-opted as a Parish Councillor and provided application forms confirming that he meets the statutory requirements to be a member of a local council. It was agreed that Mr Powell be co-opted to the council. Proposed JL, seconded PC. Agreed. Mr Powell duly signed the declaration of acceptance of office and took his seat. There remains one vacancy for the office of Parish Councillor.
8. **Drainage Matters** – Cllr P Claridge reported that he has located a number of different electronic maps of the village prepared by previous Councils and proposed that these are brought together into a single resource, consisting of a map with a number of overlays indicating land ownership etc.

Parish Clerk: Frances Laville, 32 High Street, Great Eversden, Cambs CB23 1HW

Email: parishclerk@caldecote.gov.uk

The council also discussed the clearance of the ditch on Hall Drive. The Clerk had received a quote from a company able to carry out this work.

The following actions were agreed:

- 1) To set up a Google account that can be accessed by all Councillors and use this to gather information and maps relevant to this project **Action: Cllr P Claridge**
- 2) To use Google overlays to generate a map of land ownership in the village and to later investigate the possibility of using Open Street Map for this purpose **Action: Cllr P Claridge and Clerk**
- 3) To further investigate the clearance of the ditch on Hall Drive and obtain two further quotes for this work. **Action: Clerk**

9. **Village Design Statement (VDS)** – Cllr P Claridge reported that he and Cllr T Hawkins had attended an event to explain the concept of a VDS. This project is sponsored by central government (overseen by South Cambs District Council) and will allow 6-8 selected villages to put together a short outline of their design preferences for future development, which may carry some weight in planning decisions. It was agreed that the Parish Council will register an interest in taking part in this project. Proposed JL, seconded HC. **Action: Cllr P Claridge**
10. **District Councillor's Report** - District Cllr T Hawkins delivered a monthly report (see attached). Among the topics included, Cllr Hawkins reported on a two month suspension of the work of the Greater Cambridge Partnership on the A428 transport strategy/ busway, the work of the Cambs Homes Improvement Agency and the proposals to dual the A428 from the Black Cat to Caxton Gibbet.
11. **County Councillor's Report** – County Cllr L Joseph delivered a monthly report (see attached). Among the topics covered, Cllr Joseph reported on funding awarded to the County Council by NHS digital, which will be used to trial the use of technology to help individuals with serious illnesses and dementia in their daily lives and a Greenways consultation that has recently been launched. Cllr Joseph also updated the Council on her work on committees to tackle poverty and social mobility and stated that she intends to attend Parish Council meetings every three months.
12. **Planning Matters & Applications:**
 - 12.1 [S/2025/18/AD](#) Installation of 1no. Illuminated Welcome Monolith **18 Highfields Road, Highfields Caldecote, CB23 7NX** Mr Neil, Farnsworth, CALA Homes (NHC) Ltd

It was **RESOLVED** to object on the grounds of inappropriateness for a rural setting. Proposed JL, seconded HC. Cllr T Hawkins abstained from the vote.
 - 12.2 [S/1996/18/OL](#) Outline planning permission for a single dwellinghouse with all matters reserved **Church Meadow Farm, Main Street, Caldecote, CB23 7NU** Mr Frank Gawthrop

It was **RESOLVED** to object on the grounds of the location of the site outside the village development framework boundary. Proposed JL, seconded HC. Cllr T Hawkins abstained from the vote.

12.3 [S/2347/18/OL](#) Outline planning permission for a single storey dwelling with all matters reserved **Land to the rear of 22, West Drive, Highfields Caldecote, CB23 7NY** Mr & Mrs Robert Turner

It was **RESOLVED** to make no comment but to bring to the attention of the planning officer concerns about visibility on West Drive and the need to ensure that visibility splays are maintained. Proposed JL, seconded HC. Cllr T Hawkins abstained from the vote.

For Information Only:

12.4 Outline planning permission for Development of Proposed Erection of 2 No. Detached Dwellings and Garaging, with some matters reserved for access and layout. **16, East Drive, Highfields Caldecote, CB23 7NZ – This application has been withdrawn.** Mr Michael Swinhoe

12.5 [S/2055/18/DC](#) Discharge of conditions 3 (Construction management plan), 4 (Hard and soft landscaping), 6 (Boundary treatment) and 8 (Materials) of planning permission [S/3517/17/FL95](#), **Highfields Road CB23 7NX - For information only** Sexton

12.6 [S/2352/18/DC](#) Discharge of condition 8 (Sample of roofing material) of listed building consent [S/3710/17/LB](#) **The Old Rectory, Main Street, Caldecote CB23 7NU – For information only** Mr John Barker

12.7 [S/2450/18/DC](#) Discharge of Condition 9 (Methodology of Repair) of Planning Permission [S/3710/17/LB](#) **The Old Rectory, Main Street, Caldecote CB23 7NU – For information only** Mr John Barker

12.8 [S/2451/18/DC](#) Discharge of Condition 4 (Window Details) of Planning Permission [S/3710/17/LB](#) **The Old Rectory, Main Street, Caldecote, CB23 7NU – For information only** Mr John Barker

13. Finance Matters:

13.1 **To receive a report on the Current Financial Position** - The Parish Clerk provided a report on current budget vs. expenditure.

13.2 **To receive the Schedule of payments and approve the payment of Bills** –. The schedule of payments was received and payment of bills was approved. Proposed JB, seconded HC. Agreed.

13.3 **To receive and approve the staff timesheets** – Staff timesheets were received and approved. Proposed JB, seconded HC. Agreed.

13.4 **To receive and consider the Bank Reconciliation** - The bank reconciliation dated 28th June 2018 was received and approved. Proposed JL, seconded HC. Agreed.

14. Leisure and Amenities Matters:

14.1 To receive a report from the Leisure and Amenities Working Group Cllr P Field provided a report from the meeting of the L&A Working Group on 21st June 2018, with the following points noted:

- The RoSPA playground inspection report has been considered and the working group have taken on board the maintenance required.
- The cricket club have reported that they are now happy with current arrangements for grass cutting.
- A village maintenance walk was carried out.
- Complaints have been received from residents in Dorral Dean and Copel Close that bushes have not been cut. It will not be possible to cut these bushes until September due to bird nesting. The hedge on the garden area, on left-hand side of Strympole Way, has overgrown into the pathway.
- A metal sign is required for the gate to the recreation ground to request drivers not to block the gates, as access is required at all times for emergency services.
- The cricket club requested permission to place a container on the sports field and have offered to move the Parish Council containers at the same time. This request will be considered and put on September's Agenda for further discussion.
- Children's summer activities have been booked at a total cost of £180.

The following actions were agreed:

- 1) Cllr Field will be provided with up to £250 to pay for children's summer activities. Proposed JL, seconded FW **Action: Clerk**
- 2) A metal sign to be ordered for the recreation ground gate **Action: Clerk**
- 3) The cricket club request to place a storage container on the sports field and to move the Parish Council containers at their expense to be put onto the agenda for the September meeting of the Council **Action: Clerk**

14.2 To consider plans for Furlong Way Park - Cllr P Field reported on recent discussions with Fenland Play Solutions. The current design encompasses most equipment requested but exceeds the budget available, so grant funding is likely to be required. The Council also discussed the need for an ongoing maintenance programme for the new equipment. The following actions were agreed:

- 1) To review expected S106 payments from new developments **Action: Clerk**
- 2) To add the playground designs to the agenda for the next Council meeting for further discussion. **Action: Clerk**

14.2 To consider purchasing a Karcher window vacuum for the Pavilion – Proposed HC, seconded FW. Agreed **Action: Clerk**

14.4 To consider and approve Grass Cutting Contract - It was agreed that Councillors will send amendments to the draft contract to the Clerk **Action: Clerk and Councillors**

14.5 To consider quotes for grounds works – Councillors considered quotes for the replacement of the fence on the south side of the recreation ground. It

*Parish Clerk: Frances Laville, 32 High Street, Great Eversden, Cambs CB23 1HW
Email: parishclerk@caldecote.gov.uk*

was agreed that CGM will be approached to ask if price can be reduced if work done in conjunction with ditch clearance already agreed. **Action: L&A group and Deputy Clerk**

It was further agreed that records of camera work down the drain from which the Hall Drive Ditch drains be located and consulted and quotes for clearance of this ditch considered at next meeting **Action: Clerk**

Cllrs considered quotes for the jet-washing of the Pavilion veranda. It was agreed that this work will be undertaken by the Councillors using their own equipment.

14.6 To consider replacing two noticeboards – It was agreed that quotes for the replacement of the two Parish Council noticeboards will be sought **Action: Clerk**

15. Correspondence – Correspondence from residents in Goose Cross and West Drive was received and considered.

16. Banking mandates – It was proposed that Cllrs J Lang, J Barker and P Claridge, as well as the Clerk will be made the signatories for the Cambridge Building Society account and Barclays accounts, and that former signatories be removed as follows: Thomas Footman, Alan Levett, Michael Philips, Gwen Tolhurst and Alexis Wood. Proposed HC, seconded PC. Agreed.

It was further proposed that up to £75,000 will be moved from the Unity Trust account to the Cambridge Building Society account. Proposed HC, seconded PC. Agreed.

17. Councillors Reports

Cllr P Claridge reported that he has attended Chairman's training and requested clarification of arrangements for dealing with planning applications before the September meeting. Responses to planning in this period will be made by members of the planning committee and passed on to the Clerk.

Cllr F Whelan recommended that committee membership should be reviewed at the next Council meeting.

Cllr P Field reminded those present that the Village Picnic takes place on 14th July 2018.

18. Closed Meeting with Councillors Only

19. To Confirm Dates of the Next Meetings

6th September 2018 – Full Council.
16th August 2018 – L&A Group.

The Meeting Closed at 10 pm

South Cambridgeshire District Council – Caldecote Ward Councillor’s Monthly Report – July 2018

Caldecote Ward comprises the Parishes of Caldecote, Childerley, Kingston, Bourn,
Longstowe & Little Gransden

This report is for all the Ward, so please be aware that some of the content may not be relevant to
your particular Parish.

1. Governance

The new administration has had a very busy month getting into the stride of running the council. The Cabinet and Parish Liaison Meeting of 20 June was well attended. It would have been standing room only had any more come in. All the new cabinet members were there to meet Parish councillors, explain our roles, visions and objectives for the services, and take questions. We hope to have more of these meetings in future.

In the meantime, each Portfolio holder will, over the next few months, be visiting a number of Parish Councils not in their wards, as part of us being more accessible to residents.

2. Planning News

Shared Planning Service:

The new service is continuing to take shape. The ethos behind it is “making Greater Cambridge work for you” so we are making sure we get it right.

We are filling the senior management roles first, and happy to report that the recruitment has been successful. These managers will now be assisting the Director of Planning to put the rest of the team structure in place.

Locations – each planning team is still working from their current locations, in City and South Cambs Hall. Eventually, when fully operational, planners will be able to work flexibly from any of our public buildings, and also work on any application within the shared area.

This flexible working will be facilitated by the new software that is being purchased. We expect it to be ready for trial later this year. So working to one process structure with one piece of software should enable us provide a more streamlined service to residents.

Meanwhile, I welcome comments and feedback from anyone who has used the planning service pre-May, so that we can learn from what the service did well, and those were not so good, and use this to improve the new service going forward. Please bear with us during this period of transition.

Draft Local Development Plan (LDP)

The Planning Inspectors are yet to provide us with their decision on the soundness of the Local Plan. The draft LDP was submitted in March 2014, and even though we have written to the Minister about the delay in the hope that this might help move the matter along, we were disappointed by the response that came back. He talked about level of representations made, implications of the main modifications, challenging issues, service level agreements with Planning Inspectorate, and more good sounding phrases, bottom line was he could not give us any more hope of a date to expect the report from the Inspectors.

We now have a potential threat to the LDP in the form of the transport strategy/plan for the A428 corridor – the famous Cambourne to Cambridge busway project led by the Greater Cambridge Partnership (GCP). The Mayor of Cambridgeshire and Peterborough Authority (CPA), James Palmer now has the overall responsibility for Transport in the new CPA. He recently decreed that the GCP work on the A428 busway be suspended for 2 months, whilst the work on his transport strategy is carried out (by well paid consultants). This suspension means that the report that should have gone to the GCP in July will now not be discussed, adding further delay to the decision making progress and risks the future work of the GCP.

Risk is two fold. (1) that the delay will be seen by the Planning Inspector examining the LDP as detrimental to the plan for the A428 corridor and therefore cannot be relied on, and therefore affect the final decision on the soundness of the LDP
(2) that the delay will have impact on the GCP timeline for utilising the first tranche of funding, and showing in the review due in 2019 that it has done enough to justify receiving the 2nd tranche of £200m funding from Central Government. Delays to the GCP projects (incl. cycleways and A1307 busway), could now jeopardise that.

The Mayor's decision was called in by the CPA Scrutiny committee, which was to have met to discuss the matter on Friday 15th June, but the meeting was scuppered and unable to be quorate because some Conservative councillors failed to turn up nor send their substitutes. This seems to be a coordinated effort to frustrate the work of scrutiny and I think is a shameless affront to the democratic process of holding the Mayor to account.

The furore eventually got to the Minister who has now written to the Mayor to instruct that all the local authority leaders work together to ensure that the region did not suffer and growth not hindered. Read about it here. <https://www.lgcplus.com/politics-and-policy/devolutionandeconomic-growth/mayor-on-collision-course-with-ministers-over-400m-citydealcash/7024997.article>

Designation

Still no news. The suspense is not good for us, but maybe in some ways it is good news! In the meantime, our work continues unabated.

Village Design Statements (VDS) – The Council launched the VDS on 26th June, an event that was well attended by representatives from Parish Councils. South Cambs won funding from central government to help villages prepare these VDSs. These purpose of a VDS is to capture the distinctiveness of their parishes/villages and state how they would like to design of new developments to respond to the local unique character of those villages.

This pilot project will be for between 6 to 8 villages, selected by a panel, and the council will provide consultancy assistance in helping to get the VDS done. They need to be short and to the point, not history books, as the VDS will be adopted as a Supplementary Planning Document to give it material/legal weight in planning decisions. It can become part of a neighbourhood plan (for those preparing one) or be adopted policy in the new Local Plan (to be started in 2019).

3. Housing

Cambs HIA (Homes Improvement Agency) is a shared service, working across South Cambridgeshire District Council, Cambridge City Council and Huntingdonshire District Council. Its remit is to help elderly, disabled and vulnerable people apply for grant funding to get essential works done in their homes, enabling them to live safely and independently at home.

The agency works closely with Occupational Therapists who assess the person based on their medical needs to determine the required adaptation. The staff then help the person apply for grant funding, including drawing up a schedule of work, getting quotations and dealing with all regulatory issues. There is a small fee charged for this service which forms part of the grant, if eligible.

If interested, contact the team by phone on 01954 713330/713347, email Debra Barker at Debra.Barker@CambsHIA.org, or HIA@CambsHIA.org, and you can see more information on the website at www.cambshia.org

4. Environmental Services

Bins and Recycling: I went on a trip to the Waterbeach Waste Depot and Amey's Material Recovery Facility (MRF). The MRF tour was quite interesting, especially seeing how waste is sorted to recover something of value that can earn income for the Council.

I encourage residents to continue to recycle as much as they can. Items for the blue bin include mixed paper, glass bottles and jars, cardboard, household metal packaging (cans, foil etc.), tetrapaks and cartons, plastic bottles, pots, tubs, trays, bags and film.

But please make sure you clean out any remnants of food from pots, tubs, jars etc., rinse them out before putting in the recycling bin. Same with liquids from bottles – empty them completely please. This avoids the food or drink remnant contaminating the other materials and rendering a whole load unrecyclable. It costs the council money as the contaminated stuff then has to go into landfill.

Also compress bottles, cans and cartons to maximise space in bins. If you need a second blue bin, it is free – just ask. Email refuse@scambs.gov.uk

5. Other SCDC News

The new **Grants Committee** met recently to decide on the applications that were already in the pipeline prior to the new administration taking over. I am pleased to say that two applications relevant to or in our ward were approved.

The Hardwick Scouts got a grant of £1,000 to buy a new kayak, and Little Gransden Village Hall got a grant for £3,000 to replace old windows with new double glazed units.

Once the new structure of grants is sorted, I will be sure to let you all know.

6. Highways England (HE) – A428 Dualling

I attended a briefing about the proposed A428 dualling from the Black Cat to Caxton Gibbett at Wyboston Village Hall, MK44 3AU, where HE updated us on the status of ongoing work on this very important project. The preferred route alignment is to be announced ‘definitely’ in 2018, and it will be followed by a four month consultation period.

The delay is partly due to having to do more modelling to take into account potential routes of the proposed A1 upgrade. The new route will not be part of the Cambridge – Oxford Expressway as the scheme is too far advanced, but it will be future-proofed so it slots in easily.

We also learnt that there is a Designated Funds grant scheme available to communities affected. Acceptable projects must fall into one of five categories: environment; cycling, safety and integration (CSI); air quality; innovation; and growth and housing. More information on Designated Funds can be found here: <https://www.gov.uk/guidance/highways-england-designated-funds>. If you have a suggestion, please email a428blackcattocaxtongibbet@highwaysengland.co.uk.

7. Social Events

Caldecote PTA Fun Run – what a joy to be part of this event on 1st July to raise funds for sports equipment for Caldecote Primary school. It was my pleasure to open the event, help the warmup demo, and present the winners with their trophies. Well done the organisers.

Parklife event took place on Sunday 1st July at the Milton Country Park and was very well attended. The glorious sunshine definitely helped. I did a stint as a welcome, helper, and participant in the Jazzercise demo! That was one hot day.

The Kingston Wood Manor gardens is a delight, and I was happy to have been able to attend the open gardens event on the afternoon of 1st July. Thanks to the Metherell family for opening it up so we could enjoy the fabulous gardens.

I will be opening the Kingston Church Fete at 2.30pm on Sunday 14th July. Hoping the weather holds for that too.

8. Casework/Councillor Drop-in surgery

I have not yet decided when and where to hold surgeries for this municipal year, but will let you know as soon as I come to a decision.

Please do feel free to contact me with comments, questions, problems, reports, suggestions or complaints to do with SCDC services. If you are having any issues with housing, housing repairs, planning, benefits, council tax, bin collection, environmental health etc, don't fight it on your own, I am available to help you to get the best outcome possible for your situation.

June-July Report 2018

Dear all,

Respect at Work policy

Our Chief Executive has been working very hard with other staff to make sure we have the right policy so that no one has to suffer bullying or harassment of any kind in our workplace. Staff should all feel free to carry out their roles and put forward ideas without the fear of embarrassment or victimisation.

I am pleased to announce the launch of our new **Respect at Work** policy.

The policy sets out the behaviour we should all expect from each other, and what colleagues should do if anyone is experiencing behaviour that is unacceptable.

Human Trafficking

This coming week there will be a symposium about Human Trafficking. If you are interested on attending or someone you know, I believe there still time.

The 5 Ts of Trafficking

Trauma, Transport, Terror, Tech and Transparency (in Supply Chains)

We have been awarded money by NHS Digital

An innovative pilot project that helps people with serious health conditions take their medication is getting off the ground thanks to a £20,000 funding boost.

Cambridgeshire County Council has been awarded the money by NHS Digital and the Local Government Association in the first ‘discovery’ phase of funding, to investigate local challenges that could be addressed using digital technology.

The County Council is one of 12 councils, out of a total of 82 that applied, to have been chosen to explore how technology could help shape the future of social care. Six will then be chosen to receive further funding of up to £80,000 to design and implement their solution.

The money is funding the County Council’s Technology Enabled Care Team and the Transformation Team who are working in partnership with Cambridgeshire and Peterborough

NHS Foundation Trust to carry out a trial to help people with serious health conditions and dementia manage their medicines.

During the pilot, they will measure how effective next generation digital versions of traditional solutions such as standard dossett boxes and automated pill dispensers are in alerting patients to take their medication. The joint project between the NHS and Social Care service, aims to help people manage their symptoms better and therefore reducing the need for unnecessary hospital or GP admissions that could be the result of someone not taking their medication.

This is the latest in a number of schemes developed by the council to help people remain independent such as the hydration project, which is trialling the use of using water drinking aid devices and water bottles with the aim of boosting people's drinking levels to prevent dehydration and related health conditions.

The County Council has also been working with adult social care teams to identify a small number of people with dementia, a visual impairment, memory problems or mobility issues willing to take part in the four week pilot using Amazon Dot devices. They will use the handsfree, voice-controlled device, Alexa, to set an alarm or reminder, write a shopping list, listen to the news and radio, ask general questions, use audio books and more.

Pioneers on Renewable Energy!

The British Renewable Energy Association brought together the best and brightest in the industry at an awards ceremony on 14 June 2018 to recognise leaders in their field.

Judges at the Renewable Energy Awards selected Cambridgeshire County Council as winners in the Pioneer category, against competitors Foot Anstey LLP and CAMBI.

The Council has been developing renewable energy projects - mainly solar, with a few biomass boilers - since 2014, and has been working in partnership with Bouygues Energies & Services under the Re:fit Framework to develop projects in schools, public buildings and council-owned corporate buildings. The largest project to date, a 12MW solar farm operating in Soham, is a recipient of Contracts for Difference support.

Highways

A reminder that you can report road maintenance issues here:

<https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults/>

Hedges

If you have an issue with hedges then they would be advised to log their complaint on our website

<https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults/>

Cambridge to Oxford Express Way

There was a Conference in May and if you are interested, you can now find all the presentations here:

<https://highwaysengland.co.uk/projects/oxford-to-cambridge-expressway/>

Going forward the webpage will be the main area to access public information about developments on the Oxford to Cambridge expressway and they will be updating it periodically as the project moves forward.

Local issues

These last couple of months I have been going around my division and attending the AGMs. I was also very moved with the opening of the second room at Kingston Village Hall. It was great to see the village come together and celebrate such an achievement.

If there is a special event happening in your area please do let me know and I will do my best to attend and celebrate with you and other residents.

A10 update

This past month, I attended a meeting regarding A10 traffic concerns. James Palmer attended and it was decided that he will start an analysis of the A10 through a feasibility study. The intention is to look at the area holistically. This is great news not only for Harston and Hauxton but all the other neighbouring parishes.

Greenways

On Monday 25 June, the Greater Cambridge Partnership is launching a consultation on two newly proposed cycle & walking routes linking Cambridge to local villages, the Barton and Haslingfield Greenways.

Leaflets and questionnaires will be delivered to local residents in the week beginning 25 June 2018. An online consultation platform containing scheme details and questionnaires will go live on Monday 25 June. The platform can be found through the following link:
<https://www.greatercambridge.org.uk/greenwaysconsultation/>

You can request a paper copy of the leaflet by getting in touch with us at consultations@greatercambridge.org.uk

We will be holding a set of events across the affected areas for stakeholders to find out more information from officers on the proposed routes. Details can be found below.

Date	Location	Time
Wednesday 04 July	Haslingfield Village Hall - New Rd, Haslingfield, Cambridge CB23 1JP	4:00pm – 7:00pm
Thursday 05 July	Cambridge Rugby Football Club - Volac Park, Grantchester Rd, Cambridge CB3 9ED	4:00pm – 7:00pm
Wednesday 11 July	Barton CE Primary School - School Ln, Barton, Cambridge CB23 7BD	4:00pm - 7:00pm
Tuesday 17 July	Grantchester Village Hall – Vicarage Drive, Grantchester, Cambridge, CB3 9NG	5:00pm - 7:00pm

Just to remind you that the public is very welcome to attend committee meetings and Full Council. You can find all the details [here](#).

If you have any questions please do not hesitate to get in touch.

Kind regards,

Lina Joseph
